Re: FOIA Request for Review – 2019 PAC 58683

Dear [REDACTED]

The Public Access Bureau has received your Request for Review pursuant to section 9.5 of the Freedom of Information Act (FOIA) (5 ILCS 140/9.5 (West 2016)). The Request for Review concerns a FOIA request that was submitted to the Madison County State's Attorney's Office (State's Attorney's Office).

A Request for Review may be filed with the Public Access Counselor in the Office of the Attorney General "[n]ot later than 60 days after the date of the final denial[ ]" of the FOIA request by the public body. 5 ILCS 140/9.5(a) (West 2016).

Based on the information you provided, the State's Attorney's Office denied your request on April 15, 2019, by failing to provide a response to your FOIA request. Under section 9.5(a) of FOIA, a Request for Review must be made in writing and signed by the requester, and include a copy of the original request and response by the public body. Your Request for Review did not include a copy of the original FOIA request you submitted to the State's Attorney's Office. As you submitted your incomplete Request for Review to this office on June 24, 2019, and more than 60 days have lapsed after the denial of your FOIA request, section 9.5(a) precludes this office from reviewing that denial.

Dear [REDACTED]

The Public Access Bureau has received your Request for Review pursuant to section 9.5 of the Freedom of Information Act (FOIA) (5 ILCS 140/9.5 (West 2016)). The Request for Review concerns a FOIA request that was submitted for information regarding your daughter.

A Request for Review may be filed with the Public Access Counselor in the Office of the Attorney General "[n]ot later than 60 days after the date of the final denial[ ]" of the FOIA request by the public body. 5 ILCS 140/9.5(a) (West 2016).

Based on the information you provided, a response to your FOIA request was received on April 30, 2019. Under section 9.5(a) of FOIA, a Request for Review must be made in writing and signed by the requester, and include a copy of the original request and response by the public body. RE: FOIA Request for Review – 2019 PAC 58773

Dear

The Public Access Bureau has received your Request for Review pursuant to section 9.5 of the Freedom of Information Act (FOIA) (5 ILCS 140/9.5 (West 2016)). The Request for Review concerns a FOIA request that you submitted to the Chicago Police Department (CPD) on April 8, 2019. CPD denied your request on April 26, 2019, citing section 7(1)(a) of FOIA (5 ILCS 140/7(1)(a) (West 2017 Supp.), as amended by Public Act 100-732, effective August 3, 2018).

A Request for Review may be filed with the Public Access Counselor in the Office of the Attorney General "[n]ot later than 60 days after the date of the final denial[ ]" of the FOIA request by the public body. 5 ILCS 140/9.5(a) (West 2016).

Based on the information you provided, CPD denied your FOIA request on April 26, 2019. Because you submitted your Request for Review to this office on June 29, 2019, which is more than 60 days after the date that CPD denied the FOIA request, section 9.5(a) of FOIA precludes this office from reviewing that denial.

Dear [REDACTED]

The Public Access Bureau has received your Request for Review pursuant to section 9.5(a) of the Freedom of Information Act (FOIA) (5 ILCS 140/9.5(a) (West 2016)). This Request for Review concerns a FOIA request that you submitted to the Chicago Public Schools (CPS).

A person whose FOIA request has been denied may submit a Request for Review to the Public Access Counselor in the Office of the Attorney General "[n]ot later than 60 days after the date of the final denial[ ]" of the FOIA request by the public body. 5 ILCS 140/9.5(a) (West 2016).

Based on the information you provided, CPS denied your FOIA request on April 17, 2019. You mailed your Request for Review to this office on June 18, 2019, which is 62 days after the date of CPS's response. Because you submitted your Request for Review more than 60 days after CPS denied your FOIA request, section 9.5(a) precludes this office from reviewing this matter. Therefore, this file is closed.

Dear [REDACTED]

The Public Access Bureau has received your Request for Review pursuant to section 9.5(a) of the Freedom of Information Act (FOIA) (5 ILCS 140/9.5(a) (West 2016)). This Request for Review concerns two FOIA requests that you submitted to the Winnebago County Sheriff's Office (Sheriff's Office).

RE: FOIA Requests for Review – 2019 PAC 58695

Dear Ms. Harris:

On June 24, 2019, you attempted to submit a Request for Review to the Public Access Bureau under section 9.5(a) of the Freedom of Information Act (FOIA) (5 ILCS 140/9.5(a) (West 2016)), alleging that the City of Chicago Department of Law (Department) failed to provide a complete response to your client's April 11, 2019, and April 22, 2019, FOIA requests. As this office advised you, your submission was incomplete in that you did not submit copies of the FOIA requests that your client submitted to the Department. You furnished copies of the content of the FOIA requests to this office on July 2, 2019, and on July 8, 2019, forwarded copies of the requests themselves.

Section 9.5(a) of FOIA requires a Request for Review be filed with the Public Access Counselor "[n]ot later than 60 days after the date of the final denial[ ]" of the FOIA request by the public body, and must contain "a copy of the request for access to records." Based on the information you provided, the Department responded to your client's requests on April 24, 2019. Therefore, any Request for Review must have been filed with this office by June 24, 2019, which was the first business day following the sixtieth day after April 24, 2019. 5 ILCS 70/1.11 (West 2016). Your submission, received by this office at 4:31 p.m. on June 24, 2019, did not include copies of your client's FOIA requests. Because you did not submit those FOIA requests until after the statutory period for filing a Request for Review expired, section 9.5(a) precludes us from reviewing the adequacy of the Department's responses to the requests. For that reason, this file has been closed.

Ms. Natalie A. Harris

Enclosed are copies of the materials that you submitted to this office. We note that the 60-day deadline for taking action on an alleged violation of FOIA applies only to an individual filing a Request for Review with the Public Access Counselor. A person whose FOIA request has been denied by a public body alternatively "may file suit for injunctive or declaratory relief" against that public body. 5 ILCS 140/11(a) (West 2016).

**RE: Request for Review**

Dear Ms. Pratt:

We represent the requester, Ms. Jeannie Gallucci, Tanzillo Gallucci, LLC ("Gallucci"), and this is a request for review of the April 24, 2019 response by the City of Chicago Department of Law ("Law Dept.") to Gallucci's April 11, 2019 and April 22, 2019 FOIA requests ("Requests"). A copy of the response is enclosed. In this request for review there is no dispute regarding the openness of records—both sides agree that the underlying records are public records that should be disclosed subject to certain exemptions for redacted material. The only dispute relates to the (1) adequacy of the Law Dept.'s search for the requested records and (2) the completeness of the records disclosed.

Gallucci's Requests seek public records relating to the hospitality establishment Bottled Blonde located at 504 N. Wells as well as records relating to individuals known to be neighborhood residents assisting the City of Chicago with gathering evidence of alleged code violations against Bottled Blonde ("Cooperating Residents") or City of Chicago employees involved with a Notice of Violation proceedings pending in the Department of Administrative Hearings brought by the City of Chicago against Bottled Blonde Chicago, LLC for a series of five alleged noise violations (Docket No. 18 CP 00388A) (the "Administrative Proceeding").

On April 24, 2019, the Law Dept. responded to the Requests by asserting various exemptions and producing some heavily redacted records. The redacted records include several e-mails between and among the Disgruntled Residents and Law Dept. attorney Judith A. Gorske who represents the City of Chicago in the Administrative Proceeding. Notably, the Administrative Proceedings involve five alleged noise violations, one on each of the following dates/times:

1. September 16, 2018
2. October 27, 2018
3. October 28, 2018 7:45 p.m.
4. October 28, 2018 8:30 p.m.

Ms. Sarah Pratt  
June 24, 2019  
Page 2

5. November 18, 2018

However, the disclosed e-mails between Ms. Gorske and the Cooperating Residents include communications regarding the September 16, 2018 alleged noise violations but there are *no emails* relating to the remaining four alleged noise violations. This suggests that the Law Dept. has not conducted an adequate search for responsive records. "The adequacy of an agency's search for requested documents is judged by a standard of reasonableness, i.e., 'the agency must show beyond material doubt . . . that it has conducted a search reasonably calculated to uncover all relevant documents.'" *Miller v. United States Department of State*, 779 F.2d 1378, 1383 (8th Cir. 1985). Evidence that additional undisclosed responsive records exist suggest that an agency's search was not adequate. See, *Oglesby v. United States Department of the Army* 79 F.3d 1172, 1185 (1996); *Founding Church of Scientology, Inc. v. National Security Agency* 610 F.2d 824, 834 (1979).

On or around April 24, 2019, Gallucci called Law Dept. FOIA officer Thomas Skelton to follow up regarding the FOIA requests and he represented that the Law Dept.'s search for responsive emails was limited to asking City Attorney Judith Gorske to conduct a search of her own emails. *See also, 5/23/19 Administrative Hearing Report of Proceedings*, attached as Exhibit 1 at 55:17-22. It appears that none of the other individuals copied on many of the disclosed emails (Thomas Dombai, David Smith, Barbara Gressel, Thomas Doran, Natalia Delgado, Mariana Kiselev, Sherri Cianciarulo) have conducted a search for responsive records.

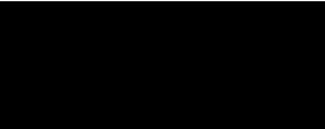

In addition, during the Administrative Hearing proceedings, [REDACTED] a Cooperating Resident and a witness for the City, testified regarding his having sent the City Attorney an e-mail subsequent to his August 18, 2018 correspondence (Ex. 2) in which he provided additional specific details regarding other alleged noise violations committed by Bottled Blonde. Ex. 1, 53:20-55:4. A subsequent e-mail also confirms that the City Attorney did receive a later email from [REDACTED] providing details about a noise incident. (Ex. 3). The Law Dept. has not produced any subsequent e-mail correspondence that meets [REDACTED] description of the response he sent. The Law Dept. is required to conduct an adequate search of e-mails in its possession and control and provide Gallucci with *all* responsive non-exempt records.

The purpose of FOIA "is to open governmental records to the light of public scrutiny." *Bowie v. Evanston Cnty. Consolidated Sch. Dist. No. 65*, 128 Ill. 2d 373, 378 (1989). Accordingly, under FOIA, "public records are presumed to be open and accessible." *Lieber v. Bd. of Trustees of Southern Illinois Univ.*, 176 Ill. 2d 401, 407 (1997). As the General Assembly states in section 1 of FOIA: "it is the public policy of the State of Illinois that access by all persons to public records promotes the transparency and accountability of public bodies at all levels of government. It is a fundamental obligation of government to operate openly and provide public records as expediently and efficiently as possible in compliance with this Act." 5 ILCS 140/1. In seeking to erect roadblocks to the timely disclosure of public records, the BACP is obstructing the stated intent of the law.

Ms. Sarah Pratt  
June 24, 2019  
Page 3

Based on the foregoing, we respectfully request on behalf of Gallucci that you issue a binding opinion requiring the Law Dept. to provide Gallucci with copies of all records set forth in the subject requests.

Sincerely,

Natalie A. Harris

On behalf of the City of Chicago Department of Law, I am responding to your three Freedom of Information Act ("FOIA") requests two dated April 11, 2019 and one dated April 22, 2019. The Law Department took a 5 day extension on April 18, 2019. You requested:

*Requesting a copy of all recordings, logs, reports, records, complaints, or any other documents related to calls, inquiries or reports received between September 1, 2018 and November 30, 2018 involving the following individuals:*

*Miguel Campos*

You also requested:

*Requesting a copy of all recordings, logs, reports, records, complaints, or any other documents related to calls, inquiries or reports received between September 1, 2018 and November 30, 2018 regarding the following locations:*

1. Bottled Blonde
2. 504 N. Wells

You also requested:

*Requesting a copy of all recordings, logs, reports, records, complaints, or any other documents related to:*

1. Any noise complaint occurring on September 16, 2018 at or near [REDACTED] or 504 N. Wells Street.
2. Any noise complaint occurring on October 27, 2018 at or near 531 N. Wells Street or 504 N. Wells Street.
3. Any noise complaint occurring on October 28, 2018 at or near 504 N. Wells Street.
4. Any noise complaint occurring on November 18, 2018 at or near [REDACTED] or 504 N. Wells Street.

Please find the attached documents responsive to your requests.

Please note that each City department is a separate "public body" under Section 2 of FOIA. 5 ILCS 140/2(a); Duncan Publishing, Inc. v. City of Chicago, 304 Ill.

App. 3d 778, 784 (1st Dist. 1999) ("Clearly, each of the individual departments are subsidiary bodies of the City and are 'public bodies' as defined by the FOIA."). A FOIA request must be directed to the Department that maintains the records you seek.

We have redacted certain material pursuant to Section 7(1)(b) of FOIA. That section exempts "private information, unless disclosure is required by another provision of this Act, a State or federal law or a court order." 5 ILCS 140/7(1)(b). Section 2(c-5) defines "private information" as:

unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person.

5 ILCS 140/2(c-5). The material we have redacted under this section is personal email addresses and phone numbers. Because these items are specifically exempted under Section 7(1)(b), they have been properly redacted.

We have redacted certain material pursuant to Section 7(1)(m) of FOIA. That section exempts:

Communications between a public body and an attorney or auditor representing the public body that would not be subject to discovery in litigation, and materials prepared or compiled by or for a public body in anticipation of a criminal, civil or administrative proceeding upon the request of an attorney advising the public body, and materials prepared or compiled with respect to internal audits of public bodies.

5 ILCS 140/7(1)(m). Because the redacted records constituted privileged communications between an attorney and clients, they have been properly redacted under this section.

We have also redacted certain material under Section 7(1)(m) and the work product doctrine. "The work product doctrine applies to documents prepared by either client or attorney in anticipation of litigation or trial." Dalen v. Ozite Corp., 230 Ill. App. 3d, 18, 27 (2d Dist. 1992); see also Matten v. Baxter Healthcare Corp., 438 F.3d 763, 767-68 (7th Cir. 2006). Under this doctrine, such material "'is subject to discovery only if it does not contain or disclose the theories, mental impressions, or litigation plans of the party's attorney.'" Center Partners, Ltd. v. Growth Head GP, LLC, 2012 IL 113107, ¶ 29 (quoting Ill. S. Ct. R. 201(b)(2)). Because the redacted material reveals the mental impressions and litigation plans of City attorneys, we have properly redacted this material under Section 7(1)(m) and the work product doctrine.

You have the right to have a denial reviewed by the Public Access Counselor (PAC) at the Office of the Illinois Attorney General, 500 S. 2nd Street, Springfield, Illinois 62706, (877) 299-3642. You also have the right to seek judicial review of your denial by filing a lawsuit in Cook County Circuit Court.

Sincerely,

Tom Skelton

1	HEARING OFFICER EX: This is Docket No. 18 CP	
2	00388A, Bottled Blonde Chicago, LLC. The matter is set	
3	down today at 1:00 for a hearing on Counts 1 through 5.	
4	Would the counsels identify themselves,	
5	please.	
6	MS. GORSKE: Judy Gorske on behalf of the City,	
7	G O R S K E .	
8	HEARING OFFICER EX: Okay.	
9	MR. ZICCARDI: Good afternoon, Joseph Ziccardi,	
10	Z I C C A R D I , for Bottled Blonde.	
11	MS. GALLUCCI: Good afternoon, Jeannie Gallucci for	
12	Bottled Blonde. We are here in a room where we were not	
13	able to secure a table and not able to secure a place	
14	for counsel to set up. So I'm going to ask if I could	
15	have a few minutes to try to set up here on these	
16	benches --	
17	HEARING OFFICER EX: Take your time.	
18	MS. GALLUCCI: -- and get something that's workable	
19	before we start. I do appreciate that you were trying	
20	to get the room --	
21	HEARING OFFICER EX: I couldn't do it, but --	
22	MS. GALLUCCI: Yeah.	
23	HEARING OFFICER EX: -- there was only, I think,	
24	three rooms with tables.	
1	MS. GALLUCCI: I would just ask that for any	
2	subsequent court hearings that we can use one of those	
3	rooms instead because I don't know how to try a case	
4	standing on my feet for five hours and not able to write	
5	anything down.	
6	HEARING OFFICER EX: I understand. And that's why I	
7	tried to get a room with a table.	
8	MS. GALLUCCI: I appreciate your efforts, but just	
9	so that the record is clear what the situation is; we	
10	are standing here with no chairs and just a small podium	
11	and no place to put any of our papers. I just want to	
12	get organized.	
13	HEARING OFFICER EX: Well, if at any point either	
14	of you want to sit down, or the City attorney, that's	
15	fine, if you can write sitting down or however you want	
16	to do it is fine with me.	
17	MS. GALLUCCI: Okay.	
18	HEARING OFFICER EX: The only thing that I'm	
19	concerned about is make sure that anybody who is talking	
20	is near a microphone. So if you're going to talk...	
21	MS. GALLUCCI: Okay.	
22	HEARING OFFICER EX: Let me know when you're ready.	
23	MS. GALLUCCI: Okay. Great. Thank you.	
24	HEARING OFFICER EX: While we're waiting -- go	

1 ahead.  
2 MS. GORSKE: I have a housekeeping matter. If you  
3 would prefer me to wait until we --  
4 MS. GALLUCCI: I would prefer so I can take notes  
5 and have myself organized. I'm just now opening my bag.  
6 (Brief pause.)  
7 HEARING OFFICER EX: Ready?  
8 MS. GALLUCCI: Yes, thank you.  
9 HEARING OFFICER EX: Sorry for your inconvenience.  
10 MS. GALLUCCI: I appreciate that you tried to avoid  
11 it. Thank you.  
12 HEARING OFFICER EX: I know you want to have a  
13 table. Unfortunately, that's not available in every  
14 room.  
15 The City has some housekeeping.  
16 MS. GORSKE: We have a technical amendment to the  
17 complaint to put in subsection (a).  
18 HEARING OFFICER EX: Which count?  
19 MS. GORSKE: 832080 is the charge on each of the  
20 counts. And we're adding subsection (a).  
21 MS. GALLUCCI: May I see a copy of what you're  
22 adding while we are having this conversation?  
23 HEARING OFFICER EX: Did you get a copy?  
24 MS. GALLUCCI: No.

1 bottom line is subsection (a) is the language that we  
2 are relying on.  
3 MS. GALLUCCI: Yes, we have an objection. They're  
4 trying to limit this to subsection (a) for the purposes  
5 of circumventing the plain meaning of the ordinance,  
6 which is written very clearly in subsection (b) and (c),  
7 which the ordinance was drafted to provide the  
8 respondent an opportunity to cure any defects.  
9 The City has denied us that opportunity to  
10 cure the defects by not informing us of them unless they  
11 had a slew of them all lumped together over a period of  
12 months. Now, on the day that we are set to try the  
13 case, they are trying to change their charging document  
14 so that the remaining portions of the ordinance, which  
15 are designed to offer some protections to the  
16 respondent, would be theoretically outside of the  
17 Court's purview. And so we would object for that basis.  
18 I would also want time to think about what  
19 this means for our theory of the case and how to defend  
20 against this.  
21 MS. GORSKE: The narrative --  
22 HEARING OFFICER EX: Why did you wait until today?  
23 MS. GORSKE: Quite honestly, I think 832080 is  
24 sufficient, but making sure that there isn't any, any

1 HEARING OFFICER EX: Do you have a copy for them?  
2 MS. GORSKE: Yes, I do.  
3 HEARING OFFICER EX: Does the City have any  
4 objection -- the Respondent have any objection to the  
5 City's motion to amend the violation?  
6 MS. GALLUCCI: I'm still trying to figure out what  
7 it is. I have just been handed something.  
8 HEARING OFFICER EX: They're just adding the letter  
9 (a) --  
10 MS. GORSKE: And I'm tendering to the Court the  
11 same document that I have tendered to opposing counsel.  
12 HEARING OFFICER EX: So you're asking to amend from  
13 832080 to 832080(a)?  
14 MS. GORSKE: Yes.  
15 HEARING OFFICER EX: Correct?  
16 MS. GALLUCCI: So they're limiting -- this is an  
17 attempt to limit it to just (a)?  
18 MS. GORSKE: Currently in AHMS when this charge was  
19 brought, they actually put the subsection (a) in there.  
20 And under the rules that govern these administrative  
21 proceedings, technical amendments are allowed pursuant  
22 to 9.2. And in this case the narrative clearly shows  
23 that subsection (a) is the applicable section. (b) and  
24 (c) are arguably not even, you know, offenses, but the

1 concern from respondent's viewpoint as to what the  
2 subsection is.  
3 In the City's view, there should be no concern  
4 because the language in the narrative parallels the  
5 language that's in subsection (a). (c) is the penalty  
6 section, and (b) simply refers to allowing city  
7 officials in to investigate.  
8 So (b) and (c) are not what the City is  
9 alleging Bottled Blonde, the respondent, has done. It's  
10 clearly --  
11 HEARING OFFICER EX: So that's just a penalty if  
12 there is some finding of liability, what the possible  
13 penalty could be, not here, but somewhere else.  
14 MS. GORSKE: There is nothing that prevents  
15 respondent from arguing as to, you know, they can bring  
16 up subsection (b) and (c) in their argument.  
17 The bottom line is the complaint is alleging  
18 that there was amplified noise coming from Bottled  
19 Blonde and that it was heard over a distance of more  
20 than a hundred feet. That is -- that is the allegation.  
21 We are not alleging that they failed to  
22 cooperate with reasonable requests from enforcement  
23 personnel. That's not in our complaint. It's not in  
24 the narrative. Arguably, that's not even an offense.

1 And (c) is simply the penalty section. It's not  
2 applicable.

3 The City is just making absolutely sure that  
4 there is no concern from the Court or from respondent  
5 that we are proceeding under subsection (a). In fact,  
6 when this complaint was filed and it was put into the  
7 Department administrative hearings database, subsection  
8 (a) comes up because that is the charge that is  
9 typically brought for these cases.

10 MR. ZICCARDI: I'm sorry, but subsection (b) could  
11 be construed as a prerequisite in order to find  
12 liability under this ordinance. And so the fact that  
13 the complaint does not allege that, it now takes away  
14 one of the elements that it's our position that they  
15 have to then prove.

16 HEARING OFFICER EX: Well, I think 832080 is pretty  
17 explicit on its face. I don't think an amendment to (a)  
18 makes any difference because their complaint spells out  
19 what is alleged here. So I don't think that it makes  
20 any difference, quite frankly: It doesn't preclude the  
21 applicability of those other subsections. They're part  
22 all of 832(a). So I don't see any reason to amend it. So  
23 let's proceed.

24 MS. GALLUCCI: So we'll just deny it? Okay.

1 Like I said, I asked for a room with tables.  
2 I was told that they are all being used, so we're just  
3 going to have make do the best we can under --  
4 MS. GALLUCCI: I appreciate it. I appreciate your  
5 position, but I want to make sure I'm making a clear  
6 record because it is a significant hampering on us to  
7 perform and do our jobs. I have a bad back, so I'll be  
8 standing here thinking about my back the whole time. If  
9 I sit down for a few minutes, then I can't object or be  
10 heard, so literally to have a normal --

11 HEARING OFFICER EX: If you want to sit down, as  
12 long as you're close enough to that microphone --

13 MS. GALLUCCI: There is also no table here to lay  
14 papers out because normally at trial you have got papers  
15 out, you have got your notes, and as things are  
16 happening at trial you're able to --

17 HEARING OFFICER EX: Folks, no talking, please.

18 MS. GALLUCCI: As things are happening at trial,  
19 you're able to respond to them -- you're able to respond  
20 to them as they're happening because you have your  
21 papers in front of you and you have an organized way of  
22 defending the case.

23 We don't have that here. We have, I don't  
24 know, this is two feet wide by a foot and a half high,

1 HEARING OFFICER EX: Well, it does say (a) in here,  
2 but that doesn't -- this is just data input on the  
3 system here. That's how it shows. So it doesn't affect  
4 the respondent's ability to prepare a defense. It's not  
5 going to make any difference.

6 So we'll proceed with 832080. It's sufficient  
7 on its face to allege the -- to support what the City is  
8 alleging in the complaint.

9 All right. What else?

10 MS. GORSKE: We're ready.

11 HEARING OFFICER EX: Okay.

12 MS. GALLUCCI: I would like to make just -- I want  
13 to make sure that I have made a clear record about our  
14 objection to proceeding this way. I really appreciate  
15 that you tried to get a room for us to sit and have an  
16 ability to have our papers in front of us and operate  
17 the way you normally would at trial, but seeing as that  
18 was not possible, I'm going to ask for us to continue  
19 until later today when we can have one of those rooms or  
20 at a different date when we can have one of those rooms  
21 where we can sit and try a case as opposed to --

22 HEARING OFFICER EX: I don't disagree with you, but  
23 I'm not going to continue it for that purpose. I can  
24 never guarantee what the facilities are here.

1 and it's slanted. And we have got two lawyers sitting  
2 here, we can barely fit two legal pads on here and no  
3 ability to be heard if we sit down and try to work with  
4 this makeshift table that I have tried to create between  
5 the benches and the chairs.

6 And I do appreciate that your hands are tied  
7 on this, but I just to make sure that I'm making a  
8 proper record --

9 HEARING OFFICER EX: Okay.

10 MS. GALLUCCI: -- and seeking a continuance. I did  
11 ask across the hall where I got the chairs how long they  
12 were there, and he said they had a 1:00 o'clock call and  
13 a 2:00 o'clock call. So I would assume the 2:00 o'clock  
14 call would be over sometime around 2:30 and we should be  
15 able to move over to that room.

16 HEARING OFFICER EX: Well, I don't -- let's get  
17 started, and if something opens up, we will take a look  
18 at it. I think you have made your record.

19 City ready to proceed?

20 MS. GORSKE: Yes.

21 HEARING OFFICER EX: Okay.

22 MS. GALLUCCI: And just for housekeeping, the  
23 motion was denied, correct?

24 HEARING OFFICER EX: So --

Page 14

1 MS. GALLUCCI: I'm sorry, both motions were denied.  
2 HEARING OFFICER EX: Right. So is the City -- does  
3 either side wish to make an opening statement? They're  
4 not generally required here, but it's up to you if you  
5 want to make one.

6 MS. GORSKE: The City is going to waive.  
7 HEARING OFFICER EX: Okay. Do you want to make an  
8 opening statement? Are you going to waive it until your  
9 case in chief? It's up to you.

10 MS. GALLUCCI: Before we move to opening statements,  
11 I just want to renew our motion to dismiss which we  
12 brought to your attention at the first hearing for the  
13 reasons stated on the record.

14 HEARING OFFICER EX: Okay. Well, it's denied.

15 MS. GALLUCCI: Okay. And then no, we do have an  
16 opening.

17 HEARING OFFICER EX: Okay. So the City waives the  
18 right to opening statement.

19 MS. GORSKE: Yes.

20 HEARING OFFICER EX: Okay. Are either side moving  
21 to exclude any witnesses?

22 MR. ZICCARDI: Yes.

23 MS. GALLUCCI: Yes.

24 HEARING OFFICER EX: Before you make an opening

Page 15

1 statement, do you have witnesses present?

2 MS. GORSKE: Yes.

3 HEARING OFFICER EX: I assume you do.

4 MS. GORSKE: Yes, I have four witnesses.

5 MS. GALLUCCI: We would like a motion not only to  
6 exclude, but to instruct the witnesses that they are not  
7 to discuss the case with anybody else or their testimony  
8 with anybody else, including each other, while they are  
9 outside the room.

10 HEARING OFFICER EX: Okay. You're not objecting to  
11 the motion to exclude witnesses, are you?

12 MS. GORSKE: No.

13 HEARING OFFICER EX: All right. Why don't you --  
14 how many witnesses are you going to call today?

15 MS. GORSKE: Four.

16 HEARING OFFICER EX: Four. Okay. So what I would  
17 like, and everybody else other than those witnesses is  
18 not expected to be a -- people here are expected to be  
19 witnesses?

20 MS. GORSKE: Pardon?

21 HEARING OFFICER EX: None of the other people who  
22 are sitting here who are not your witnesses you do not  
23 anticipate would be called.

24 MS. GORSKE: No.

Page 15

Page 17

1 matter that we won't address in time.

2 HEARING OFFICER EX: Ask them to just step into the  
3 door. I'm sorry.

4 MS. GORSKE: Sure.

5 (Brief pause.)

6 HEARING OFFICER EX: Folks, just so it's clear,  
7 Respondent has asked that you be instructed not to  
8 discuss your testimony with each other at any point  
9 during the course of this hearing. Do you all  
10 understand that?

11 (Chorus of yesses.)

12 HEARING OFFICER EX: Sorry. Tried to do that from  
13 here. Okay. Anything else?

14 MS. GALLUCCI: So you had said the City waives  
15 opening?

16 HEARING OFFICER EX: The City waives opening.

17 MS. GORSKE: Yes.

18 HEARING OFFICER EX: Okay. Go ahead.

19 OPENING STATEMENT ON BEHALF OF Respondent

20 MS. GALLUCCI: There are 1,100 liquor licenses in  
21 the River North. There are over 20 within two blocks of  
22 Bottled Blonde. It's the central business district of  
23 the city of Chicago.

24 The corner of Grand Avenue and Wells is not a

1 quiet residential street. It's a major traffic artery.  
2 The City itself refers to the River North as the  
3 Entertainment District. There are now so many bars,  
4 restaurants, nightclubs, and even a strip bar in the  
5 immediate area that it is impossible to attribute the  
6 noise in the River North to any one establishment.

7 Even if it were possible to attribute noise in  
8 the River North to one establishment, the evidence will  
9 show that Bottled Blonde has not violated the noise  
10 ordinance. Its technology is deliberately set up to  
11 comply with the ordinance by limiting the volume so that  
12 its music will not be above conversational level at a  
13 distance of a hundred feet.

14 They spent hundreds of thousands of dollars to  
15 make sure that they are in compliance. Bottled Blonde's  
16 music doesn't interfere with conversations right outside  
17 the establishment, let alone those that are a hundred  
18 feet away.

19 But regardless, the City is violating Bottled  
20 Blonde's due process and equal protection rights in the  
21 following respects.

22 MS. GORSKE: Objection. Argument.

23 MS. GALLUCCI: The evidence will --

24 HEARING OFFICER EX: Well, I'm going to give the

1 of the ordinance and giving Bottled Blonde a chance to  
2 cure if a violation is found.

3 If the City were acting in good faith, if it  
4 believed its allegation of a violation on  
5 September 16th, 2018 was valid, it would have sent an  
6 ANOV, a notice of violation of the alleged violation  
7 right away. This would have put Bottled Blonde on  
8 notice of the allegation and provided an opportunity to  
9 review the allegation and take curative behavior if it  
10 was warranted.

11 What the City did instead was lie in the  
12 weeds. It wasn't interested in turning down the volume.  
13 It wanted to shut the operation for reasons other than  
14 volume. Its lawyers contacted biased neighbors and  
15 solicited them to file additional noise complaints 30 to  
16 60 days later so it could try to manufacture more than  
17 three violations as a pretext for shutting down Bottled  
18 Blonde. It didn't want to give Bottled Blonde any  
19 chance to cure any genuine problem. It wanted to skip  
20 that part because it was never interested in a cure. It  
21 was interested in shutting the business altogether.

22 Even worse, the City also bypassed having  
23 unbiased police officers come to the scene to assess  
24 whether the noise violation, the alleged noise violation

1 Respondent some leeway. I'll determine what is argument  
2 and what is facts. Go ahead.

3 MS. GALLUCCI: The City has embarked on a scheme to  
4 put Bottled Blonde out of business in a manner that is  
5 fundamentally unfair and treats Bottled Blonde  
6 differently than other similarly situated establishments  
7 due to malice, not any rational distinction.

8 Here is the scheme in a nutshell. The noise  
9 ordinance is written in a way to give an establishment  
10 notice of an alleged violation and a hearing before any  
11 sanction is imposed.

12 Built into this legislative structure is an  
13 opportunity for the licensee to cure the problem and  
14 prevent future violations if one had genuinely occurred.  
15 Only if three such violations are found in successive  
16 cases does the ordinance authorize a referral to the  
17 local liquor control commissioner for a possible license  
18 revocation.

19 The evidence will show that the City has  
20 singled out Bottled Blonde in order to pack multiple  
21 alleged violations into the same complaint so they could  
22 try to get three findings of violation at the same time  
23 in order to gin up a referral immediately to the local  
24 liquor control commissioner without following any terms

1 was valid.

2 The evidence will show that when the neighbors  
3 have complained to the police of noise violations, the  
4 police have not written up tickets because there was no  
5 violation. The neighbors might not like living next to  
6 a restaurant or a bar, but they do. They might not like  
7 the volume, but the volume is within the ordinance  
8 limits at a hundred feet.

9 The police officers who have come have seen  
10 that. So the City has decided to cut the police out of  
11 the equation and simply recruit the biased neighbors to  
12 generate their own complaints and stagger them in a  
13 fashion to deprive Bottled Blonde of the cure option it  
14 was entitled to.

15 This process of trying to justify a revocation  
16 based on multiple violations alleged in a single  
17 complaint is not only contrary to the ordinance, the  
18 language of which requires excessive findings of  
19 violations, not violations packed into the same  
20 complaint, it violates Bottled Blonde's constitutional  
21 rights for the following reasons.

22 In violation of equal protection the City is  
23 treating Bottled Blonde differently from other similarly  
24 situated establishments without a rational basis for

Page 22

1 doing so.  
2 MS. GORSKE: Objection renewed.  
3 HEARING OFFICER EX: Let's just try to --  
4 MS. GALLUCCI: I'm almost done.  
5 HEARING OFFICER EX: -- hold back on the law and  
6 keep it to facts.  
7 MS. GALLUCCI I have to make these objections,  
8 these constitutional objections. I know we won't be able  
9 to get into these, but I have to just to preserve the  
10 record.  
11 HEARING OFFICER EX: Well, I think when you filed  
12 your motion to dismiss, you preserved the --  
13 MS. GALLUCCI: This was not --  
14 HEARING OFFICER EX: Let's -- overruled. Go ahead.  
15 MS. GALLUCCI: In violation of equal protection the  
16 City is treating Bottled Blonde differently from other  
17 similarly situated establishments without a rational  
18 basis for doing so.  
19 The City is not soliciting neighbor complaints  
20 regarding other venues, cutting the police out of the  
21 process while trying to pack multiple allegations in a  
22 single complaint in order to provide a predicate to shut  
23 other businesses down.  
24 In violation of equal protection the City is

Page 23

1 treating Bottled Blonde as a class of one, using the  
2 alleged noise violation and its recruitment packing  
3 scheme as a pretext for shutting Bottled Blonde down  
4 because of animus of the alderman.  
5 In violation of due process the City  
6 deliberately chose not to give Bottled Blonde notice and  
7 an opportunity to be heard regarding the alleged  
8 September 16, 2018 noise violation in order to prevent  
9 Bottled Blonde from taking steps to reduce the risk for  
10 future alleged citations. It kept that allegation  
11 secret in order to lump the alleged violation together  
12 with others occurring 30 to 60 days later so that a  
13 pretext could be created to shut down the business  
14 before Bottled Blonde was given a chance pursuant to the  
15 ordinance to cure any violation that was found to be  
16 justified after a hearing.

17 The City also has a policy and practice of not  
18 taking into account other sources of ambient noise,  
19 including other entertainment venues in the vicinity,  
20 plus it has no means to distinguish whether the noise a  
21 hundred feet from Bottled Blonde if louder than a  
22 conversational level is such because of the sound from  
23 Bottled Blonde or from other sources.  
24 As such, Bottled Blonde is being punished for

Page 24

1 the conduct of others that it cannot possibly control in  
2 violation of due process.  
3 Additionally, the ordinance is impermissibly  
4 vague in violation of due process in that the term  
5 "conversational level" is inherently imprecise and  
6 subjective, and this vagueness and subjectivity is  
7 exacerbated by the fact that other ambient noise is  
8 contributing to the noise level rendering it subjective  
9 as to whether the threshold has been exceeded and  
10 whether Bottled Blonde is responsible for exceeding the  
11 threshold.

12 The City's scheme is further compounded by the  
13 fact that the rules of proceeding do not allow  
14 discovery. Bottled Blonde has not been given any  
15 opportunity to review the City's evidence, marshal the  
16 facts or prepare a defense. Gaining access to the  
17 evidence, we are forced to defend through FOIA is an  
18 insufficient method. The FOIA officer admitted to us  
19 that his investigation was limited to asking our  
20 opponent to provide the responsive documents. Those  
21 documents omit any reference to four out of the five  
22 violations charged, effectively 80 percent of the  
23 complaint.

24 Because discovery is not permitted, Bottled

Page 25

1 Blonde is without an opportunity to challenge and hold  
2 the City accountable for omitting 80 percent of its  
3 evidence.

4 By the City's own rules they are violating  
5 Bottled Blonde's due process rights, the City's scheme  
6 should fail, and Bottled Blonde should be cleared of  
7 these charges.

8 HEARING OFFICER EX: Thank you.  
9 If Respondent is complete, is the City ready  
10 to proceed with your first witness?

11 MS. GORSKE: Yes.  
12 MS. GALLUCCI: Can you tell us who your witness is,  
13 Judy?

14 MS. GORSKE: [REDACTED]  
15 MS. GALLUCCI: Okay. If we can just have a moment to  
16 get ready for this witness?

17 HEARING OFFICER EX: Sure.  
18 (Brief pause.)  
19 HEARING OFFICER EX: Did you find the witness?

20 MS. GORSKE: Yes.  
21 HEARING OFFICER EX: Okay. Sir, come on all the way  
22 up. Are you going to stand on the far side or -- I'm  
23 asking Ms. Gorske what she prefers.

24 MS. GORSKE: Yes.

Page 26

1 HEARING OFFICER EX: There? Okay.  
2 Sir, would you raise your right hand, please.  
3 (Witness sworn.)  
4 HEARING OFFICER EX: What is your name?  
5 THE WITNESS: [REDACTED]  
6 HEARING OFFICER EX: [REDACTED]  
7 THE WITNESS: That's correct.  
8 HEARING OFFICER EX: [REDACTED] All right. City.  
9 WHEREUPON: [REDACTED]  
10 called as a witness herein, having been first duly  
11 sworn, was examined and testified as follows:  
12 DIRECT EXAMINATION  
13 BY MS. GORSKE:  
14 Q. [REDACTED] do you live in Chicago?  
15 A. I do.  
16 Q. In any particular neighborhood?  
17 A. I do. I live in River North.  
18 Q. And are you married?  
19 A. I am.  
20 Q. Do you have children?  
21 A. I do.  
22 Q. How many?  
23 A. Two boys.

Page 27

1 Q. Do you recall last Halloween, around the  
2 Halloween season, do you recall where you -- did you  
3 participate in activities with your children, Halloween  
4 activities?  
5 HEARING OFFICER EX: Hold on one second.  
6 (Brief pause.)  
7 HEARING OFFICER EX: Sorry. Go ahead.  
8 BY MS. GORSKE:  
9 Q. Did you participate in any Halloween  
10 activities with your children and your wife?  
11 A. I did. We went to --  
12 MS. CALLUCCI: I'm sorry, could you repeat the  
13 question. Sorry.  
14 BY MS. GORSKE:  
15 Q. Did you participate in any Halloween  
16 activities last Halloween season with your children and  
17 your wife?  
18 A. Yes. We were at the River North Festival at  
19 Montgomery Ward Park. The kids were dressed up in  
20 costume. We were on our way back.  
21 Q. Would that be on Saturday --  
22 HEARING OFFICER EX: Did you finish?  
23 THE WITNESS: No. I think I can give you a date.  
24 HEARING OFFICER EX: No, I thought you were stopped

Page 28

1 in the middle of your answer. Was there more you wanted  
2 to say?  
3 THE WITNESS: No.  
4 HEARING OFFICER EX: All right. Go ahead.  
5 BY MS. GORSKE:  
6 Q. Would that be on Saturday, October 27, 2018?  
7 A. It was.  
8 Q. And approximately what time did you leave that  
9 event?  
10 A. Probably after 4:00 p.m.  
11 Q. And when you left that event, who were you  
12 with?  
13 A. My wife and two kids.  
14 Q. Did you return home?  
15 A. We did.  
16 Q. On foot or in a vehicle?  
17 A. We were on foot.  
18 Q. What street did you walk down?  
19 A. After the event we went to, I think it was  
20 brunch on, it was Illinois, and then we walked down  
21 Wells coming from the north to our home at [REDACTED]  
22 Q. And your home is at what address?  
23 A. [REDACTED]  
24 Q. Is that a house or a condo?

Page 28

1 A. It's a condo.  
2 Q. And you're walking what direction down Wells?  
3 A. We are walking south.  
4 Q. Are you on the east side or the west side of  
5 the street?  
6 A. We are on the lake side, so that would be the  
7 east.  
8 Q. And as you're walking southbound on Wells, are  
9 you approaching an intersecting street?  
10 A. We are. We are approaching Grand.  
11 Q. And as you're approaching Grand, is there  
12 anything that you notice?  
13 A. Yes. As we have heard many times, but early  
14 in the afternoon at this point, a lot of loud music.  
15 Q. At the point where you hear the loud music,  
16 have you reached Grand yet?  
17 A. No, we were just north of Grand, probably in  
18 front of GT Oyster, I think.  
19 Q. And is GT Oyster located at 531 North Wells  
20 approximately?  
21 A. Probably, yeah.  
22 Q. You said you heard a loud noise. Would you  
23 describe it?  
24 A. Standard sort of DJ amplified, you know,

Page 30

1 music.  
2 Q. How would you characterize the level?  
3 A. Normally in that area loud, but this time, you  
4 know, for 4:30 in the afternoon really, really loud.  
5 Q. Was it music, spoken word, or something else?  
6 A. Oh, no, it was music.  
7 Q. Was it intermittent or steady?  
8 A. It was steady.  
9 Q. How far were you from the corner when you  
10 first noticed the music?  
11 HEARING OFFICER EX: Which corner are you talking  
12 about?  
13 MS. GORSKE: Corner of Wells and Grand.  
14 HEARING OFFICER EX: Wells and Grand.  
15 BY THE WITNESS:  
16 A. Either on our walking down, which would be  
17 from a couple blocks north Ontario to whatever is next  
18 to Grand, we probably started to pay attention to it mid  
19 block north of Grand, which is, you know, there is an  
20 Irish bar, there is some other house, and then there is  
21 GT Oyster.  
22 BY MS. GORSKE:  
23 Q. Were you conversing with your wife at that  
24 time?

Page 30

1 A. It came from Bottled Blonde.  
2 Q. How do you know that?  
3 A. Just could hear it coming from there. It has  
4 come from there many times.. It has been coming for a  
5 few years. This wasn't the first time, so we didn't  
6 have to guess. There was no other club around. There  
7 is no other place for music like that to be coming out  
8 of, and no doubt in my mind it came from there.  
9 Q. When you were standing at the corner, you said  
10 in front of GT Oyster, I believe, do you know  
11 approximately what the distance is from that location to  
12 Bottled Blonde?  
13 MR. ZICCARDI: Objection. No foundation.  
14 HEARING OFFICER EX: Well, I'll reserve ruling on  
15 that. I want to hear what he is going to say at this  
16 point. Go ahead.  
17 BY THE WITNESS:  
18 A. I don't know the exact footage, but I would  
19 guess 200 to 300 feet.  
20 HEARING OFFICER EX: I'm going to overrule this  
21 objection because the witness has answered. You can  
22 cross examine him as to his recollection of distance.  
23 BY MS. GORSKE:  
24 Q. Did you --

Page 31

1 A. I was. I was talking with her and the kids.  
2 Q. Were -- were you -- were you able to hear them  
3 over the noise?  
4 A. Sort of. We -- that's when we actually said,  
5 "Holy cow, is this loud." And that's when we had to  
6 start to raise our voices. No one could hear each  
7 other.  
8 Q. And you indicated that you were with your  
9 wife?  
10 A. Correct.  
11 Q. Was she of the same opinion as you?  
12 MS. GALLUCCI: Objection. It's hearsay.  
13 HEARING OFFICER EX: Sustained. Hearsay is  
14 admissible in these proceedings, but not something like  
15 that unless you're going to call her as a witness.  
16 BY MS. GORSKE:  
17 Q. How is your hearing?  
18 A. Perfect. Good.  
19 Q. What was the level of the noise in comparison  
20 to the street traffic?  
21 A. Noticeably louder.  
22 Q. Do you know where the music came from?  
23 A. Yes.  
24 Q. Where did it come from?

Page 31

1 MS. GALLUCCI: Hang on one second just because your  
2 witnesses are right out there. I don't want them to hear  
3 the question.  
4 HEARING OFFICER EX: That's the City attorney.  
5 Sir, you said you were 200 to 300 feet away  
6 from Bottled Blonde?  
7 THE WITNESS: That would be my guess, yes.  
8 HEARING OFFICER EX: At that particular point.  
9 THE WITNESS: From crossing the intersection, yes.  
10 BY MS. GORSKE:  
11 Q. Did you proceed to cross the intersection?  
12 A. We did..  
13 Q. Did you go to your condo?  
14 A. We did.  
15 Q. Did the music sound louder as you approached  
16 your condo or softer?  
17 A. Louder.  
18 Q. What did you do then?  
19 A. Went in the house, probably called 911 and  
20 asked them, as we have been instructed to call, called  
21 them and asked for them to come and ask Bottled Blonde  
22 to turn it down, as we have done many times over.  
23 Q. I'm showing you for purposes -- for  
24 demonstrative exhibits, not to be entered into evidence.

1 and I'm showing this to opposing counsel, these two  
2 photos.

3 MS. GALLUCCI: Can we have a copy of these?

4 MS. GORSKE: I'm using them for demonstrative  
5 evidence. I'm not seeking to introduce these into  
6 evidence.

7 MS. GALLUCCI: But it's appropriate to bring a copy  
8 for counsel. We should have our own copy to look at  
9 while you're questioning with the witness.

10 MS. GORSKE: I'll just use this one and I'll show  
11 it to you as we go along.

12 MS. GALLUCCI: I should have a copy --

13 HEARING OFFICER EX: Folks, let's not argue with  
14 each other. How many pictures do you have?

15 MS. GORSKE: It's two photos, and I'm using them as  
16 demonstrators.

17 MS. GALLUCCI: I haven't even finished looking at  
18 them.

19 HEARING OFFICER EX: They have a right to see what  
20 you're doing. Are you going to use all of those with  
21 this witness?

22 MS. GORSKE: No, just these two photos with this  
23 witness.

24 HEARING OFFICER EX: Since we don't have a copier

1 Q. Now, you have testified --

2 A. It should be this way.

3 Q. -- previously that you thought the music was  
4 coming from Bottled Blonde.

5 HEARING OFFICER EX: Just stop for a second. Can  
6 you mark those so that the Respondents can know which  
7 photo you're referring to. 1 and 2?

8 MS. GORSKE: Yes.

9 (City Exhibits Nos. 1 and 2 marked.)

10 HEARING OFFICER EX: Okay. Do you want to see  
11 which is which?

12 MS. GALLUCCI: Yes.

13 HEARING OFFICER EX: If you will just hold it up so  
14 they can see which photo you're referring to.

15 MS. GALLUCCI: Why don't you hold up 1, and then  
16 we'll know that it's 1.

17 MS. GORSKE: (Indicating).

18 MS. GALLUCCI: Okay. That's 1. Thank you.

19 BY MS. GORSKE:

20 Q. You previously testified that you were at the  
21 corner of Grand and Wells. What corner would that be?  
22 Northeast? Southeast?

23 A. When we noticed it, we were on -- it would be  
24 the northeast corner.

1 in this room, do you want to stand over there where you  
2 can see? Maybe that will be helpful.

3 MS. GALLUCCI: No. I wanted her to make a photocopy  
4 and give us a copy, which is proper.

5 HEARING OFFICER EX: Can you make copies of those  
6 photos?

7 MS. GALLUCCI: We are already sitting on little  
8 teacups here trying to prepare a defense.

9 HEARING OFFICER EX: It's not unreasonable to give  
10 to give them a copy.

11 MS. GORSKE: No, let me see. I might have -- I might  
12 have --

13 HEARING OFFICER EX: Any exhibits that you're going  
14 to show, you should have copies for the other side.

15 MS. GORSKE: I do.

16 HEARING OFFICER EX: These are copies of what  
17 you're going to use?

18 MS. GORSKE: Yes, they are exact copies of what I'm  
19 going to use..

20 HEARING OFFICER EX: All right. How many exhibits  
21 do you have, just two?

22 MS. GORSKE: Two.

23 HEARING OFFICER EX: Okay. Go ahead.

24 BY MS. GORSKE:

1 MS. GALLUCCI: I'm sorry, you're on -- which  
2 exhibit are you on?

3 THE WITNESS: I am on City 2.

4 MS. GALLUCCI: Okay.

5 THE WITNESS: And I am pointing to the far right  
6 where the white truck is.

7 MS. GORSKE: I'm going to ask him to mark.

8 HEARING OFFICER EX: Okay.

9 BY MS. GORSKE:

10 Q. If you could put with an orange marker where  
11 you were when you heard...

12 A. So GT is right about here in front of this.

13 So we would have been in that area right there  
14 (indicating).

15 Q. And you have drawn a circle on City's  
16 Exhibit 2.

17 A. And then we would have come across this way  
18 and to our home here (indicating).

19 Q. And if you could draw a -- let's see. You  
20 have indicated you noticed that the music came from  
21 Bottled Blonde?

22 A. Yes.

23 Q. Did you walk in the direction towards Bottled  
24 Blonde after you left that corner?

Page 38

1 A. Yes, I did, because my home is in the  
2 direction of Bottled Blonde.  
3 Q. Okay. And do you see Bottled Blonde in this  
4 photo?  
5 A. I do.  
6 HEARING OFFICER EX: Are we still on photo 2?  
7 THE WITNESS: We can be partly on photo 2.  
8 MS. GORSKE: On photo 2.  
9 HEARING OFFICER EX: Okay. Let's just be clear.  
10 BY MS. GORSKE:  
11 Q. If you could mark where Bottled Blonds begins  
12 on 2 with a green marker.  
13 A. Okay. I believe it starts right here  
14 (indicating).  
15 MS. GALLUCCI: Can we see where he marked?  
16 MS. GORSKE: (Indicating).  
17 And at this point the City would show these to  
18 the Court, without seeking to introduce those into  
19 evidence. We are only seeking to elucidate the  
20 testimony of the City's witness [REDACTED]  
21 HEARING OFFICER EX: You marked with green on 2 or  
22 1?  
23 MR. ZICCARDI: City 2.  
24 HEARING OFFICER EX: 2? Thank you.

Page 40

1 that's where you were walking when you claim you heard a  
2 noise; right?  
3 A. Correct.  
4 Q. And the -- could you mark on that picture,  
5 okay, right on that, could you mark specifically on that  
6 picture exactly where you were?  
7 MS. GORSKE: Do you have a marker for them?  
8 MR. ZICCARDI: You can use this pen.  
9 BY THE WITNESS:  
10 A. Heading down this path right here in that  
11 direction (indicating).  
12 HEARING OFFICER EX: So the record will reflect  
13 that -- is that writing on that?  
14 MR. ZICCARDI: No, let me get you a different pen.  
15 MS. GALLUCCI: Do you have a copy for the --  
16 MR. ZICCARDI: Yes.  
17 MS. GALLUCCI: We have a copy for you too.  
18 HEARING OFFICER EX: Hold on one second. I'm going  
19 to contribute this.  
20 MR. ZICCARDI: Thank you.  
21 HEARING OFFICER EX: Mark it again, sir, where you  
22 were.  
23 THE WITNESS: (Complying.)  
24 BY MR. ZICCARDI:

Page 41

Page 39

1 MS. GORSKE: Nothing further for this witness.  
2 HEARING OFFICER EX: Cross.  
3 MS. GALLUCCI: If we could just have a moment.  
4 HEARING OFFICER EX: Sure.  
5 (Brief pause.)  
6 MR. ZICCARDI: [REDACTED] We are going to mark as  
7 Respondent's Exhibit No. 1 -- I'll tender a copy to  
8 counsel.  
9 HEARING OFFICER EX: For the record, that's a  
10 photograph, Mr. Ziccardi? 1?  
11 MR. ZICCARDI: Respondent's Exhibit 1.  
12 HEARING OFFICER EX: Which is a photograph,  
13 correct?  
14 MR. ZICCARDI: It's a photograph, correct.  
15 (Respondent's Exhibit No. 1 marked.)  
16 CROSS-EXAMINATION  
17 BY MR. ZICCARDI:  
18 Q. Sir, do you recognize that, what's depicted in  
19 that picture?  
20 A. I do.  
21 Q. And that's the northeast corner of Wells,  
22 Grand and Wells; correct?  
23 A. It is.  
24 Q. And if I understand your testimony correctly,

1 Q. So if I understand your testimony correctly,  
2 you were at 531 North Wells?  
3 A. Coming south on Wells, yes.  
4 Q. Is this --  
5 A. GT Oyster.  
6 Q. The establishment on the corner is GT Oyster;  
7 correct?  
8 A. Yes.  
9 Q. And that's 531 North Wells; right?  
10 A. Correct.  
11 MS. GALLUCCI: Just for the record -- okay. Just  
12 for the record, the --  
13 MS. GORSKE: Objection: Are both attorneys going to  
14 be --  
15 MS. GALLUCCI: I just want to say where it was that  
16 the witness has marked on the exhibit in the bottom  
17 left-hand corner, that's all, just for the record.  
18 HEARING OFFICER EX: Okay. So let's keep one  
19 attorney at a time.  
20 MS. GALLUCCI: Sorry.  
21 BY MR. ZICCARDI:  
22 Q. There is just north of where you were when you  
23 heard that noise, there is another bar over there called  
24 O'Leary's; correct?

1 A. Um-hmm.  
2 Q. And you were actually closer to O'Leary's than  
3 you were actually closer to Bottled Blonde; correct?  
4 A. For sure.  
5 Q. And there is also another bar down the street  
6 from where you were standing, I believe it's called  
7 Ironside Bar and Galley, is that correct?  
8 A. That is correct too, yes.  
9 Q. And you were also closer to Ironside Bar at  
10 the time you say you heard this noise; correct?  
11 A. Sure, yeah, in fact closer to both of those.  
12 Q. Right. And then you continued walking south on  
13 Wells Street, correct?  
14 A. We got to the corner and we crossed Wells and  
15 then went over to Grand. So we were at Wells and Grand  
16 right here, and we probably cut across Wells to be on  
17 the -- what is that, the west side, and then cut across  
18 Grand going south to the front of our building.  
19 Q. The entrance to your building is on Grand?  
20 A. Correct.  
21 Q. You're also where the Pepper Cannister is  
22 another bar; correct?  
23 A. Yes.  
24 Q. And that's on Wells Street directly across the

1 excessive was your subjective opinion; correct?  
2 A. Correct.  
3 Q. You didn't record the sound you heard at that  
4 point in time; correct?  
5 A. Correct.  
6 Q. And you didn't measure the distance at which  
7 you were specifically from Bottled Blonde; correct?  
8 A. Correct.  
9 Q. So I think you guesstimated that it was  
10 between 200 to 300 feet; correct?  
11 A. Correct.  
12 Q. Even after the fact, even after this date you  
13 didn't at any point measure that distance; correct?  
14 A. I probably have measured the distance, but I  
15 probably didn't save it.  
16 Q. Okay. In fact, you had had -- up to that point  
17 in time you had had numerous conversations with the  
18 counsel for the City; correct?  
19 A. I have had conversations with her in the past,  
20 yes, about a prior noise violation.  
21 Q. In fact, there were some violations that you  
22 wanted to bring to the City's attention back in June  
23 of 2018; correct?  
24 A. I did, yes. And they were actually issued a

1 street?  
2 A. It sure is, yes.  
3 MR. ZICCIARDI: Let me finish, sir.  
4 HEARING OFFICER EX: Let him ask, finish his.  
5 question before you answer.  
6 BY MR. ZICCIARDI:  
7 Q. The Pepper Cannister is directly across the  
8 street from Bottled Blonde on Wells Street; correct?  
9 A. Correct.  
10 Q. And that's a bar and they play music there;  
11 isn't that correct?  
12 A. To the best of my knowledge, they don't play  
13 music, but they are a bar.  
14 Q. Now, you did not use any type of equipment to  
15 measure the sound level; correct?  
16 A. No. I did not, correct. I did not.  
17 Q. You didn't take any readings with a decibel  
18 meter of any type; correct?  
19 A. Correct.  
20 Q. In fact, you have no way to objectively test  
21 the sound level on October 27, 2018 when this, you claim  
22 this violation occurred; correct?  
23 A. Objectively?  
24 Q. Correct. So your claim that the noise was

1 ticket.  
2 Q. And you had numerous conversations back and  
3 forth with counsel as to where specifically you could be  
4 to constitute a violation; correct?  
5 A. She helped us understand the ordinance.  
6 Q. Correct, because in fact, she told you that  
7 you had to be at least a hundred feet away, correct?  
8 A. Probably, yes.  
9 Q. Is it your testimony, sir, that noise that you  
10 heard that day could not possibly have come from any  
11 other establishment?  
12 A. It is, correct.  
13 Q. Did you go to every establishment in the area  
14 to determine, sir, that there was no noise coming from  
15 any of those other establishments?  
16 A. I did not.  
17 Q. In fact, you live in the River North, which is  
18 a contested area; correct?  
19 A. Some streets can be congested.  
20 Q. There is a lot of establishments within a 2-  
21 or 3-block radius; isn't that correct?  
22 A. That's correct.  
23 Q. And there are various bars that are some of  
24 those establishments; right?

1 A. Correct.  
2 Q. And most bars play music; correct?  
3 A. Yes.  
4 Q. And so it's your testimony today that on  
5 October 27th you can definitively state that the sound  
6 absolutely came from Bottled Blonde?  
7 MS. GORSKE: Objection. Asked and answered.  
8 HEARING OFFICER EX: I think that was answered.  
9 Sustained.  
10 BY MR. ZICCARDI:  
11 Q. And you didn't report this -- strike that.  
12 I think you said you called 911 that day?  
13 A. I don't remember who called 911, whether it  
14 was me or my wife or we may have also e-mailed counsel,  
15 which is something she asked us to do when these  
16 violations occur.  
17 Q. You didn't go to Bottled Blonde and ask them  
18 to turn it down; correct?  
19 A. After two years of trying that, we have  
20 stopped doing that.  
21 Q. So that's a no?  
22 A. No.  
23 Q. And you're familiar with my partner here, Ms.  
24 Gallucci?

1 isn't that correct?  
2 A. That's incorrect. They issued one last June.  
3 Q. That was for a noise violation that wasn't a  
4 hundred feet away; correct?  
5 A. I don't know the distance of it.  
6 Q. To your knowledge; that ticket wasn't  
7 prosecuted; correct?  
8 A. Yeah, I don't understand why that was revoked  
9 or pulled..  
10 Q. You don't recall communications with counsel  
11 in which she indicated that --  
12 MS. GORSKE: Objection. Relevance.  
13 HEARING OFFICER EX: What's the relevance of this?  
14 MR. ZICCARDI: Well, he just said they were issued  
15 a ticket, but he doesn't know what happened.  
16 HEARING OFFICER EX: I know, but what does this  
17 other ticket have to do with this?  
18 MR. ZICCARDI: The fact that the City of Chicago  
19 has never cited Bottled Blonde for a valid approvable  
20 noise offense.  
21 HEARING OFFICER EX: No, I think that's beyond the  
22 scope as well -- it's beyond the scope. It's not  
23 relevant to this issue. How would that be relevant,  
24 that the City --

1 A. I am.  
2 Q. And you know her to be counsel for Bottled  
3 Blonde; correct?  
4 A. I do.  
5 Q. And actually, she has given you her number to  
6 contact her anytime there is a violation; correct?  
7 A. And I have told her it's not my responsibility  
8 to enforce the noise laws for Bottled Blonde, they  
9 should do their own. But yes, that's correct.  
10 Q. But you haven't actually taken her up on any  
11 of those opportunities to contact her and notify her  
12 when you believe there is a violation?  
13 A. Yes, we have.  
14 Q. But on this occasion, October 27th, 2018, you  
15 did not do that?  
16 A. That's correct.  
17 Q. In fact, you have been pushing to get Bottled  
18 Blonde closed for a number of years; correct?  
19 A. I don't believe that to be correct. I have  
20 been following up on the issues when we don't sleep, we  
21 try and follow the rules to request that they turn it  
22 down or get a ticket.  
23 Q. To your knowledge, the City of Chicago Police  
24 Department has never issued a ticket to Bottled Blonde;

1 MS. GALLUCCI: It's relevant.  
2 HEARING OFFICER EX: -- hasn't filed other tickets  
3 at different times?  
4 MS. GALLUCCI: It's relevant because it's our  
5 contention that what the City is doing here with these  
6 biased witnesses that live in a building attached to our  
7 client is they're circumventing the police, who show up  
8 routinely and find that there is no violation.  
9 MS. GORSKE: Your Honor, again, the City would note  
10 that both counsel are --  
11 HEARING OFFICER EX: Well, I don't have a problem  
12 with either of them arguing as long as only one is  
13 examining the witness at a time. So did you --  
14 MS. GALLUCCI: It's relevant because the City  
15 instead of having the police come out, find a violation,  
16 I mean, they're trying to close them down all the time.  
17 They have sent the police there hundreds of times. No  
18 ticket is ever written because they have never found a  
19 noise violation. It's silent on the street.  
20 HEARING OFFICER EX: I think this is getting well  
21 beyond the --  
22 MS. GALLUCCI: It's relevant because it's our  
23 theory of the case that they're circumventing the  
24 police.

Page 50

Page 52

1 HEARING OFFICER EX: I understand, but it still has  
2 to be relevant. If you can answer that question -- can  
3 you answer the question? Do you recall what it was?

4 THE WITNESS: I remember the question at this  
5 point. It was something about --

6 HEARING OFFICER EX: Why don't you rephrase the  
7 question or reask the question and see if he can answer  
8 it.

9 BY MR. ZICCARDI:

10 Q. I believe the question was that the ticket you  
11 referred to --

12 A. In June.

13 Q. -- in June of 2018, that ultimately was  
14 determined not to be valid, correct?

15 A. I don't know the outcome. What I do know is I  
16 showed up for court that day at the time they were  
17 supposed to be here, and someone said it had been  
18 removed from this court proceeding because of the other  
19 court proceedings that were taking place and was  
20 supposedly going to be added to that one for  
21 consideration. That's the only piece that I do remember  
22 hearing. I don't remember exactly what the outcome was  
23 from a legal perspective.

24 HEARING OFFICER EX: Next question.

1 question.

2 BY MR. ZICCARDI:

3 Q. Have you signed any complaints against Bottled  
4 Blonde?

5 A. Have I signed any complaints? I don't believe  
6 so, no.

7 Q. Sir, did -- in your communications with Ms.  
8 Gorske, you had indicated to her that you would provide  
9 details to her or --

10 MS. GORSKE: Objection. Beyond the scope.

11 Relevance.

12 HEARING OFFICER EX: What's the purpose of this  
13 question?

14 MR. ZICCARDI: Again, it's -- the e-mails indicate  
15 that [REDACTED] said he was going to provide the details  
16 of these violations that he claimed, and in the  
17 documents we received there is no indication of any of  
18 those details provided.

19 MS. GALLUCCI: And there like is a reference to the  
20 fact that he had done it in a subsequent e-mail.

21 HEARING OFFICER EX: I'll give you some leeway here  
22 if [REDACTED] can respond to that.

23 BY THE WITNESS:

24 A. To details. After the June ticket, you know,

Page 51

Page 53

1 BY MR. ZICCARDI:

2 Q. When you call the Chicago police to report  
3 these noise violations, do you actually give your name  
4 as a complaining witness?

5 A. For the first year of asking for these, we did  
6 not, we said anonymous. We spoke to someone I'm  
7 guessing six months ago who said "Please give your name  
8 and have them show up." Actually, that was in the June  
9 ticket. They said "The only way these are going to get  
10 filed is if you leave your name and the police will come  
11 to you."

12 So then we started to leave our name, and I  
13 would say maybe a third of the time the police would  
14 come. They were supposed to come every time. They  
15 probably only came about a third of the time.

16 Q. Did the police come on this particular  
17 instance, this October 27th?

18 A. They did not.

19 Q. Other than the one instance you told me about,  
20 have the Chicago police actually issued tickets to  
21 Bottled Blonde?

22 MS. GORSKE: Objection again, outside the scope and  
23 relevance.

24 HEARING OFFICER EX: Sustained. Ask another

1 no resolution came from that, we asked her what can we  
2 do, what should we be getting that would be helpful  
3 because most Thursdays through Sunday we don't sleep  
4 between 10:00 and 2:00 a.m. So we said what can we get,  
5 what can we do?

6 Probably any details I would have offered up  
7 would have been to be willing to go out and send our  
8 phone records of all the 911 calls we have made.

9 BY MR. ZICCARDI:

10 Q. Did you actually send an e-mail with details  
11 of the violations to Ms. Gorske?

12 A. Like I said, I offered to send the only detail  
13 I can think of would be a 911 record. And we have not  
14 sent those to her.

15 Q. Let me ask you to take a look at -- I'm going  
16 to show you what is your August 18, 2018 e-mail. That's  
17 from you, [REDACTED] correct?

18 HEARING OFFICER EX: Can we mark that so we know  
19 what you're referring to.

20 MR. ZICCARDI: I'll mark it as Respondent's  
21 Exhibit 2.

22 (Respondent's Exhibit No. 2 marked.)

23 HEARING OFFICER EX: What is that, an e-mail?

24 MR. ZICCARDI: It's an e-mail. The e-mail itself

1 I'm referring to is August 18th of 2018 from [REDACTED]  
2 to Ms. Gorske.

3 BY MR. ZICCIARDI:

4 Q. And let me direct you first to the one that's  
5 from August 18th, 2018, at 8:50 a.m. Ms. Gorske wrote to  
6 you, she is asking you if you have -- no rush to reply.  
7 Do you see that there?

8 A. Um-hmm.

9 Q. Yes?

10 A. Yes.

11 Q. And then your response was: "Hi, there. Yes,  
12 was traveling. Will write details over weekend." That  
13 was your response; correct?

14 A. Correct.

15 Q. Do you know if you actually responded to this  
16 and wrote details?

17 MS. GORSKE: Objection. Asked and answered. [REDACTED]

18 [REDACTED] has previously stated that he was going to send  
19 something to the City and that he did not.

20 HEARING OFFICER EX: Well, I'm not really sure what  
21 he said, so let's have him answer again just so it's  
22 clear.

23 BY THE WITNESS:

24 A. I have no idea what I wrote in response to

1 Then there is a subsequent e-mail that  
2 references that he had done that.

3 So I would ask the witness to look to see if  
4 he has done so, to turn it over to Ms. Gorske and this  
5 Court to ask her to turn it over to us pursuant to our  
6 rights under 4(f), which we feel have been violated by  
7 the omission of this e-mail.

8 HEARING OFFICER EX: I don't have any authority to  
9 order him to turn over something. If the City has  
10 possession of something --

11 MS. GORSKE: Your Honor, this proceeding is simply  
12 the City's witnesses on the noise complaint testifying  
13 as to what they heard on the specific dates.

14 This is not the proceeding where a response to  
15 a FOIA request is being litigated.

16 HEARING OFFICER EX: Well, I don't know what the  
17 FOIA request is. I'm assuming there were a number -- I  
18 know there were a number of FOIA requests. So I'm not  
19 going to order this witness to produce anything. First  
20 of all, I don't have the authority to do that. And  
21 second of all, as I discussed with counsel last week, if  
22 your FOIA requests turn up some impeaching materials,  
23 you're free in your case in chief to present them. And  
24 I'm not going to order this witness to do so.

1 this, but I probably have a record of it. I know that,  
2 you know, she did give us the detail about the noise  
3 issues and how it would be helpful from whatever this  
4 is, looks like the ordinance.

5 BY MR. ZICCIARDI:

6 Q. Correct. The response to you above was  
7 essentially to provide the statute and indicate to you  
8 how you should go about finding violations; correct?

9 A. Correct. So when we call 911, nothing happens,  
10 we don't sleep, we ask for help, how do we actually  
11 gather information that would be helpful to be here  
12 today. That's essentially what we were doing.

13 MS. GALLUCCI: I would ask that if the witness  
14 could please look to see if he had sent that e-mail on  
15 that day.

16 MS. GORSKE: Objection again.

17 MS. GALLUCCI: I'm asking the Court -- I'm in the  
18 middle of asking -- I would ask for the witness to check  
19 to see if he sent that e-mail because we received these  
20 through FOIA. The City's FOIA officer said that his  
21 search is limited only to asking Ms. Gorske to turn over  
22 the e-mails. There is a reference to him having sent  
23 the information that he said he would send. He said "I  
24 was traveling. I'll send details over the weekend."

1 MS. GALLUCCI: Well, I would ask to adjourn the  
2 proceedings until we can proceed forward with the --  
3 this is all under investigation by the AG. And when we  
4 have our moment to have the AG be a neutral arbiter  
5 instead of the City deciding whether or not they turn  
6 over e-mails or don't, I think that we will be able to  
7 get to the bottom of this e-mail.

8 And so I would ask that we adjourn until that  
9 time because I do want those details that [REDACTED] sent  
10 to Ms. Gorske. We are entitled to those pursuant to  
11 law. They did send us lots of e-mails, but they just  
12 stopped -- this one was an omission, and then the other  
13 violations, this violation plus three of the four  
14 others, also the details were not there, even though  
15 there were e-mails before and after referencing them.

16 HEARING OFFICER EX: I think you have to deal with  
17 that with whatever agency you serve your FOIA on, but  
18 I'm not going to adjourn this for the same reason I  
19 didn't continue it last week, that your FOIAAs are still  
20 outstanding. If you come into possession of some  
21 documents that are impeaching, you can offer those. But  
22 I'm not going to continue this matter because I already  
23 indicated last week that we weren't going to do that.

24 MS. GALLUCCI: Okay. I believe that the witness has

Page 58

1 indicated that he would have followed through on the  
2 e-mail, as he said he was going to. And since there is  
3 a reference to it later, I do believe that e-mail exists  
4 and I do believe Ms. Gorske omitted it intentionally or  
5 non-intentionally, which is entirely possible. It  
6 really shouldn't fall on her to be the sole Respondent  
7 in these FOIA --

8 HEARING OFFICER EX: I think I have addressed it as  
9 much as I can, Counsel, so let's move on.

10 MS. GORSKE: Okay. So our request denied?

11 HEARING OFFICER EX: Yes.

12 MS. GORSKE: Thank you.

13 CROSS-EXAMINATION

14 BY MS. GALLUCCI:

15 Q. [REDACTED] we spoke on the phone back in April  
16 of 2018?

17 A. I know we spoke on the phone. I don't know  
18 what date it was.

19 Q. I brought your phone records, and I can  
20 refresh your recollection, but I do believe that it was  
21 somewhere around that period of time.

22 We spoke on April 9th. We had a 42-minute  
23 phone call. That would have been our first phone call.

24 A. Okay..

Page 59

1 Q. And I think it was a pretty pleasant one,  
2 given that we're on opposite sides of the fence here.  
3 but I did -- would you agree?

4 A. I would agree with that.

5 Q. Did you feel like I was trying to be helpful  
6 to you in that phone call?

7 A. No.

8 Q. You didn't?

9 A. No. I think that you were courteous, but no.  
10 It was our belief that because there were other legal  
11 proceedings, it did not make sense for us to continue to  
12 have discussions with you through my phone call when I  
13 didn't know anything else that was going on.

14 MS. GORSKE: Your Honor, again, the cross was begun  
15 by one counsel --

16 HEARING OFFICER EX: Yeah, how come you are  
17 switching --

18 MS. GORSKE: -- and now is being continued by other  
19 counsel.

20 MS. GALLUCCI: He is finished with his, and I just  
21 have a couple follow-up questions.

22 HEARING OFFICER EX: No, we're not going to have a  
23 tag team on cross. You don't get to do that.

24 MS. GALLUCCI: I just have three more questions.

Page 60

1 HEARING OFFICER EX: Finish up those questions.

2 MS. GALLUCCI: Okay.

3 HEARING OFFICER EX: But in the future only one  
4 attorney gets to question a witness.

5 MS. GALLUCCI: Okay..

6 HEARING OFFICER EX: You can switch off witnesses,  
7 but you can't tag team cross-examination.

8 MS. GALLUCCI: All right..

9 BY MS. GALLUCCI:

10 Q. We had a conversation about some noise that  
11 was going into the garbage dumpsters; correct?

12 MS. GORSKE: Objection. Relevance and outside the  
13 scope.

14 HEARING OFFICER EX: I don't know.

15 MS. GALLUCCI: It's noise.

16 HEARING OFFICER EX: Let her finish the question and  
17 we'll see.

18 BY MS. GALLUCCI:

19 Q. We had a conversation about some garbage  
20 noise. They were throwing the garbage away in a way that  
21 was very bothersome for you; correct?

22 A. They do yes.

23 Q. And I had offered to try to assist in that  
24 matter, and when we spoke two weeks later, you agreed it

Page 61

1 was better; correct?

2 A. I don't have a recollection of that.

3 HEARING OFFICER EX: Hold on one second. What's  
4 the relevance to testimony so far?

5 MS. GALLUCCI: Remediation, that when we were  
6 given notification about a noise issue, we took steps to  
7 remediate that.

8 HEARING OFFICER EX: All right. I'm not sure how  
9 that's relevant, though, to these five violations or  
10 this one that he is testifying about.

11 MS. GALLUCCI: Because the noise ordinance sets out  
12 that you would have notice and then you would have an  
13 opportunity to correct. And in this instance we had  
14 notice and opportunity to correct and objectively  
15 corrected.

16 HEARING OFFICER EX: I want to try to keep this  
17 within a tighter scope here. So that's -- the objection  
18 that previously is made is sustained.

19 BY MS. GALLUCCI:

20 Q. When we were having the conversation and I was  
21 attempting to assist you, didn't you tell me that even  
22 though the noise was better, you just don't want them  
23 there?

24 MS. GORSKE: Objection.

1 BY THE WITNESS:

2 A. I don't have any recollection of that.  
3 HEARING OFFICER EX: Hold on. Hold on. I'll allow  
4 that because it goes to credibility. Go ahead. Can you  
5 answer that?

6 THE WITNESS: I don't have any recollection of  
7 saying that.

8 BY MS. GALLUCCI:

9 Q. Do you have any reason to doubt that I'm being  
10 honest with you at this moment?

11 MS. GORSKE: Objection.

12 HEARING OFFICER EX: Sustained. That's  
13 argumentative.

14 BY THE WITNESS:

15 A. Yes, I do.

16 HEARING OFFICER EX: No. I sustained that. If I  
17 sustain an objection, that means you don't answer it.  
18 Okay?

19 THE WITNESS: Thank you.

20 HEARING OFFICER EX: I know --

21 BY MS. GALLUCCI:

22 Q. But the truth is you don't want Bottled Blonde  
23 there; correct?

24 MS. GORSKE: Objection.

1 A. Impartially, no. What I want is Bottled  
2 Blonde to be quiet and closed at like 10:00 or 11:00  
3 p.m. like every other bar and restaurant in the area,  
4 because we don't sleep between 10:00 p.m. and 2:00 or  
5 3:00 a.m. Thursday through Sunday.

6 When I came and moved two months -- or two  
7 years ago, that's what I asked for, that's what I was  
8 fighting for, and that's why I'm here, period. I don't  
9 care what happens to Bottled Blonde. I had a lovely  
10 pizza there. They played games, it's nice. That's my  
11 beef. I want quiet, period.

12 Q. But didn't you tell me that you wanted Bottled  
13 Blonde to lose their license?

14 A. I have no idea.

15 MS. GORSKE: Objection.

16 HEARING OFFICER EX: That's been asked and answered.  
17 Are you tag-teaming too?

18 MR. DORAN: I'm talking to her.

19 HEARING OFFICER EX: Okay. Next.

20 MS. GALLUCCI: That's all.

21 HEARING OFFICER EX: Anything on redirect?

22 MS. GORSKE: No.

23 HEARING OFFICER EX: All right. Next witness.  
24 (Witness excused.)

1 HEARING OFFICER EX: And Counsel, you marked two  
2 exhibits. You're going to hold on to those until the  
3 appropriate time, I assume.

4 MR. ZICCIARDI: Yes.

5 MS. GORSKE: [REDACTED] will be next.

6 HEARING OFFICER EX: How long -- is he going to be  
7 about the same length?

8 MS. GORSKE: Right. Pretty much.

9 HEARING OFFICER EX: Does anybody want to take a  
10 break or do you want to wade through this witness?

11 (No response.)

12 HEARING OFFICER EX: Everybody is okay? Ms.  
13 Gallucci, are you okay?

14 MS. GALLUCCI: Yes.

15 HEARING OFFICER EX: We'll take a break after this  
16 witness, I think, for a few minutes.

17 MS. GALLUCCI: Yeah, that's good.

18 HEARING OFFICER EX: Sir, raise your right hand,  
19 please.

20 (Witness sworn.)

21 HEARING OFFICER EX: What is your name?

22 THE WITNESS: [REDACTED]

23 HEARING OFFICER EX: [REDACTED]

24 THE WITNESS: Yes.

Page 66		Page 68	
1	HEARING OFFICER EX: Okay. Counsel.	1	HEARING OFFICER EX: 3.
2	WHEREUPON:	2	MS. GORSKE: Okay.
3	[REDACTED]	3	(City Exhibit No. 3 marked.)
4	called as a witness herein, having been first duly.	4	HEARING OFFICER EX: Even though it's demonstrative,
5	sworn, was examined and testified as follows:	5	it's easier to keep in that order.
6	DIRECT EXAMINATION	6	BY MS. GORSKE:
7	BY MS. GORSKE:	7	Q. [REDACTED] calling your attention to
8	September 16, 2018, at approximately 4:20 in the	8	A. Yeah, so you can see from the left, the corner

10	A. Yeah, I was outside the entrance to my	10	side, that's our entrance.

12	Q. And when you say your building, do you mean	12	A. Yeah, so my residence is on the second floor
13	where you reside?	13	kind of between the corner and the entrance there.
14	A. Yes.	14	Q. And this photo, is it facing on what street?
15	HEARING OFFICER EX: I'm sorry, what date was that	15	A. So this would be on Illinois Street.
16	again?	16	Q. Okay. And if you would take the green marker
17	THE WITNESS: It was 9-16-18.	17	and show where the door is that you want out.
18	HEARING OFFICER EX: Sorry. Go ahead.	18	A. Just circle it?
19	BY MS. GORSKE:	19	Q. Yes.
20	Q. What address do you reside at?	20	A. (Complying).
21	A. [REDACTED]	21	MS. GORSKE: And I'm showing this to --
22	Q. And is that a residence that's mid block or is	22	MS. GALLUCCI: And for the record, the witness has
23	it a corner property?	23	circled the door on the bottom third far right double

Page 67		Page 69	
1	A. Yeah, it's a corner. Our entrance that I use	1	MS. GORSKE: Tendering this to the Court.
2	is actually on Illinois Street around the corner.	2	HEARING OFFICER EX: This is a copy for me?
3	Q. So when -- what did you say you were doing at	3	MS. GORSKE: Yes.
4	4:20?	4	BY MS. GORSKE:
5	A. Taking out the trash.	5	Q. And when you opened the door to your building
6	Q. And you went out of the door on what side of	6	to go out to put out the garbage, what, if anything, did
7	that building?	7	you notice?
8	A. Illinois Street closer to the alleyway where	8	A. The music.
9	the dumpster is.	9	Q. What kind of music?
10	Q. And would that be approximately 180 Illinois?	10	A. Primarily just like the "unce, unce, unce,"
11	A. Yeah, that's what I put in the GPS to get	11	more like electronic-ish type music, as I recall.
12	closest.	12	Q. And what was the level of that music?
13	Q. And then how far is the dumpster from that	13	A. Pretty loud. It was definitely very
14	door?	14	noticeable. It was -- like what kind of scale, I guess.
15	A. Probably 40 feet east of the alleyway.	15	Q. As compared to normal.
16	Q. I'm showing you what's marked as -- and I'm	16	HEARING OFFICER EX: I'm sorry, could you repeat
17	tendering a copy to counsel -- marked as City's Exhibit	17	that, sir. I didn't hear.
18	--	18	THE WITNESS: I said it was really loud, I guess it
19	HEARING OFFICER EX: You're up to 3.	19	depends on what kind of scale to compare it to for
20	MS. GORSKE: Well, those were demonstrative.	20	reference..
21	HEARING OFFICER EX: Okay. Well, we'll keep the	21	BY MS. GORSKE:
22	same numbers. Otherwise, it gets confusing.	22	Q. As compared to the street traffic at that
23	MS. GORSKE: Okay. So we're up to 3, so -- this will	23	time?
24	be 3.	24	A. Yeah. So it was definitely louder than the

Page 70

1 street traffic.  
2 Q. Was it steady or intermittent?  
3 A. I mean, it was steady music with like pulsing  
4 bass, I guess, would be the best way to describe it.  
5 Q. Were you alone at that time?  
6 A. Yeah.  
7 Q. How would you compare the sound of that bass  
8 as to conversation?  
9 MR. ZICCARDI: Objection to foundation.  
10 HEARING OFFICER EX: Can you restate that.  
11 BY MS. GORSKE:  
12 Q. How would you compare the level of that sound  
13 to conversation?  
14 MS. GALLUCCI: One second. I don't want her  
15 witnesses that are out there to hear her questions.  
16 (Brief pause.)  
17 HEARING OFFICER EX: Okay.  
18 MS. GALLUCCI: What was the question? Can you  
19 restate it?  
20 BY MS. GORSKE:  
21 Q. The level of that sound as compared to  
22 conversation, normal conversation.  
23 HEARING OFFICER EX: Well, if can you answer the  
24 question. Step a little closer to the mic, if you

Page 72

1 about this because the whole idea is how loud was the  
2 music, right? The way that I always think about it is I  
3 know how loud a car usually is when it goes by. I know  
4 how loud people usually talk, right? So I can compare  
5 the music that I heard when I walked out my door to cars  
6 driving by.  
7 MS. GALLUCCI: Same objection. It also calls for  
8 speculation.  
9 HEARING OFFICER EX: Well, I don't really think  
10 that in a question like this you can lay a foundation  
11 without doing what he is actually doing, saying what  
12 other sounds are. What other foundation would you want  
13 to hear?  
14 MS. GALLUCCI: Who he was having a conversation  
15 with. You know, he wasn't having a conversation.  
16 HEARING OFFICER EX: No, he is testifying to what  
17 this level was compared to --  
18 MS. GALLUCCI: But he has to speculate whether or  
19 not he was able to have a conversation.  
20 HEARING OFFICER EX: Right. Well, but that's  
21 subject to cross examination. So let's hear what he has  
22 to say. You can cross him on that. Go ahead.  
23 BY THE WITNESS:  
24 A. Sure. So yeah, I can compare to it cars

Page 71

1 would, [REDACTED]  
2 MS. GALLUCCI: If we can just finish our objection.  
3 HEARING OFFICER EX: There was an objection to  
4 foundation. Did you want to argue any more?  
5 MR. ZICCARDI: The objection is that there is no  
6 foundation whatsoever. I mean, he is comparing --  
7 HEARING OFFICER EX: Well, I mean, you can cross  
8 him, but I want to hear -- let's rephrase the question.  
9 Perhaps you can -- I'm not sure how you would have a  
10 foundation for that. You're really asking for an  
11 opinion. But go ahead. Let's see where we're at.  
12 BY MS. GORSKE:  
13 Q. The level of the sound, can you compare it to  
14 anything else that you hear in the course of the day?  
15 MS. GALLUCCI: Same objection.  
16 HEARING OFFICER EX: Well, that's overruled. You  
17 can cross him on how he would compare that. I think  
18 that's really more of a cross-examination. Go ahead.  
19 MS. GALLUCCI: Would you restate your question  
20 again, Judy.  
21 BY MS. GORSKE:  
22 Q. So the level of the sound as compared to other  
23 noises that you would hear in the daytime.  
24 A. Yeah. So I think the way that I always think

Page 73

1 driving by. I was not having a conversation. So all I  
2 can say is that I know how loud a conversation is like  
3 we're having now. I know how loud a car is when it  
4 drives past. This was substantially louder than both of  
5 those.  
6 BY MS. GORSKE:  
7 Q. How is your hearing?  
8 A. Fine. Normal.  
9 Q. Where did this noise come from?  
10 A. It came from the intersection. I know, in  
11 this particular case I know that it was Bottled Blonde  
12 because I have a corner unit. So I can actually hear  
13 their music in my unit on a regular basis. But it's  
14 obviously most apparent when I walk outside and I don't  
15 have the windows to kind of protect me from the sound.  
16 Q. How sure are you that it was Bottled Blonde in  
17 this instance?  
18 A. Positive.  
19 Q. When you returned to your apartment, did you  
20 hear noise?  
21 A. Yes.  
22 Q. What did you do as a result of hearing this  
23 noise?  
24 A. I mean, it's frankly so constant I didn't do

1 anything. I have kind of given up on calling the police  
2 because they don't really seem to have the ability to do  
3 much.

4 Q. And did you communicate this information about  
5 this noise on this particular day and time to other  
6 individuals?

7 A. Yeah.

8 MR. ZICCARDI: Objection. Calls for hearsay.

9 HEARING OFFICER EX: I'm sorry?

10 MR. ZICCARDI: Calls for hearsay.

11 HEARING OFFICER EX: Well, she is only asking did  
12 he communicate it. That's not -- it could be yes or no.  
13 I don't know. Let's have him answer.

14 MS. GALLUCCI: But what he communicated is hearsay.

15 HEARING OFFICER EX: Let's hear what he -- no, not  
16 necessarily. Go ahead.

17 BY MS. GORSKE:

18 Q. It's a yes or no question.

19 A. So yes, I communicated it.

20 Q. Thank you. Do you know approximately how far  
21 the door of your building is to Bottled Blonde?

22 A. I actually looked on a map when this all  
23 started like six months ago. And I guess it depends on  
24 if you do it the way I would walk or if you do like a

1 MR. ZICCARDI: Can we take a minute to figure out  
2 who is going to --

3 HEARING OFFICER EX: Sure.

4 MR. ZICCARDI: -- do this cross exam?  
5 (Brief pause.).

6 MR. ZICCARDI: Thanks, Judge.

7 HEARING OFFICER EX: Go ahead, Counsel.

8 (Respondent's Exhibit No. 3 marked.)

9 CROSS-EXAMINATION

10 BY MR. ZICCARDI:

11 Q. [REDACTED] I'm going to tender what we marked  
12 as Respondent's Exhibit No. 3. Can you with that marker  
13 that's on the desk circle where on that picture  
14 specifically you were.

15 A. Sure. Same as the other one. This is a  
16 better photo, though, much clearer (indicating).

17 MR. ZICCARDI: Judge, he circled the door, just so

18 --

19 HEARING OFFICER EX: So that's 3.

20 MR. ZICCARDI: Respondent's Exhibit 3.

21 HEARING OFFICER EX: Okay. So it's a circle of a,  
22 looks like the only door on that side of the building.  
23 Right?

24 THE WITNESS: Yeah, it is.

1 straight line, but it's, depending on that, somewhere  
2 between like I think 110 and 140 feet was what I came up  
3 with just using Google Maps, pretty easy.

4 Q. And just to clarify, do you know what  
5 direction Wells runs?

6 A. North-south.

7 Q. And Illinois runs?

8 A. East-west.

9 Q. And your building is on what corner?

10 A. The northeast corner of the intersection.

11 Q. And Bottled Blonde is on what street?

12 A. So they're on Wells, 504 North Wells, I  
13 believe.

14 Q. And do you know what cross streets are on  
15 either side?

16 A. Yes, they're just north of Wells and Illinois,  
17 just north of the intersection on the west side of the  
18 street.

19 MS. GORSKE: Okay. Nothing further for this  
20 witness.

21 HEARING OFFICER EX: Cross.

22 MR. ZICCARDI: Just briefly can we take a minute to  
23 figure out who is going to do this cross?

24 HEARING OFFICER EX: I'm sorry?

1 MR. ZICCARDI: Yes.

2 THE WITNESS: Do you want me to also show you where  
3 I walked? Is that --

4 HEARING OFFICER EX: Let counsel ask you questions,

5 [REDACTED]

6 THE WITNESS: Okay.

7 MS. GALLUCCI: Just for the record, it's just below  
8 the middle of the page, the double doors with the tree  
9 right in front of them that the witness circled.

10 HEARING OFFICER EX: That's the same as I indicated.

11 BY MR. ZICCARDI:

12 Q. And, sir, from the location you were at when  
13 you heard the noise, you couldn't not see Bottled  
14 Blonde; correct?

15 A. I couldn't not see Bottled Blonde?

16 Q. You could not see Bottled Blonde.

17 A. I could not see Bottled Blonde.

18 Q. Could not see Bottled Blonde. And you didn't  
19 actually walk to the corner of Illinois and Wells Street  
20 to verify that the sound was coming from Bottled Blonde;  
21 correct?

22 A. Is this like the yes or no or do I respond?

23 Q. It was a yes or no question.

24 HEARING OFFICER EX: Hold on. Sir, if you can

2	don't understand it, just tell counsel that you don't	2 BY MR. ZICCARDI:

5	A. Okay. So I would say I didn't walk to the	5 A. None.

10	Q. Well, you can't see sound; correct?	10 A. I mean, I would say my ears are pretty

12	Q. And you live above Pepper Cannister or that's	12 Q. Well, it's subjective, right? There is no --

14	A. No, that's not correct.	14 just my ears, yeah.
15	Q. Right next to your building?	15 Q. And the fact that you weren't -- you were

12 HEARING OFFICER EX:	Okay. Let's move on.	12 A. I'm at the [REDACTED] of [REDACTED] and
13 MS. GALLUCCI:	I just don't want any animosity.	13
14 HEARING OFFICER EX:	Two more witnesses, I think?	14 Q. And is that a house or a condo?
15 MS. GORSKE:	Yes.	15 A. It's a condo.

19 (Witness sworn.)		19 A. I was with my wife.
20 HEARING OFFICER EX:	Okay. Do you want to state	20 Q. What street were you walking down?
21 your name for the record, sir.		21 A. Well, we were probably down by the River Walk,
22 THE WITNESS:	[REDACTED]	22 but on the way back. That evening I was coming straight
23 HEARING OFFICER EX:		23 down Grand.
24 THE WITNESS:	[REDACTED]	24 Q. Which direction?

Page 94		Page 95	Page 96
1	A. Toward Wells, so that would be coming west		1 A. We could conduct it, but not without raising

3	Q. Coming westbound towards Wells. Did you		3 Q. And do you know where this music came from or
4	notice anything while you were walking?		4 noise?
5	A. As we got past the LaSalle intersection,		5 A. It came from Bottled Blonde.
6	could hear noise, but at that time did not know exactly		6 Q. How do you know that?
7	where the noise was coming from.		7 A. Because that's where all the activity was.
8	Q. Did you keep walking?		8 That's where the noise was coming from. So at that
9	A. Yes, because we were just walking back to our		9 point I would have been north and east of the

11	Q. Did the noise get softer or louder as you		11 And I did not see any other activity that would have

13	A. It got louder.		13 Q. Is Bottled Blonde at 504 Wells?
14	Q. Did you reach Wells?		14 A. Yes.
15	A. Oh, yes.		15 Q. Middle of the block or end of the block?
16	Q. And were you walking on the north side or the		16 A. Pretty much in the middle of the block.

5	Q. This noise, was it spoken word? Was it music?		5 Q. How did the sound compare as to a motorcycle?
6	Was it something else?		6 A. Very different. I can distinguish the noise
7	A. It was all those things. So there was music,		7 coming from a motorcycle than what was coming from
8	it was noise from outside the Bottled Blonde on the		8 Bottled Blonde that night.

11	establishment.		11 softer than a motorcycle?
12	Q. As to the music, was it amplified or acoustic?		12 A. Well, they're two different kinds of sounds,
13	A. I don't recall.		13 but it was, it was obviously more sustained than a
14	Q. And was it intermittent or steady?		14 motorcycle. And it -- I can't say if it was louder or
15	A. Oh, it was steady.		15 if it was not louder, but it was definitely a different

17	A. My hearing is good. I go to the doctor to get		17 Q. As compared to normal street traffic at that

13 HEARING OFFICER EX: All right. So indicating,		12 A. I don't know, and maybe an e-mail.

21 know who did that.		20 A. Yes.
22 THE WITNESS: (Complying.)		21 Q. Would you say it was only two days thereafter?
23 HEARING OFFICER EX: Did you put your initials on		22 A. Most likely, yes.
24 that?		23 Q. Do you specifically -- strike that.
		24 Did you actually speak with the City attorney
Page 99		Page 101
1 THE WITNESS: I did.		1 in response or after the e-mail that you had sent?
2 HEARING OFFICER EX: And that's Respondent's 1?		2 A. I don't believe I spoke with anybody, no.
3 MR. ZICCARDI: That's Respondent's No. 1. So he has		3 Q. You didn't have any sound measuring equipment

5 HEARING OFFICER EX: [REDACTED] that's your initials?		5 A. I did not.
6 THE WITNESS: Yes. I go by [REDACTED] but my		6 Q. And you didn't have any objective way to

11 Q. You didn't walk over to Bottled Blonde to		11 Q. But you didn't have any testing equipment;
12 confirm that that's exactly where the sound was coming		12 correct?
13 from; correct?		13 A. No, I don't walk around with testing
14 A. No, I believe that we walked up and down the		14 equipment.
15 block and that, you know, confirmed -- I didn't need to		15 Q. And you didn't record what you were hearing
16 do that, but we did go up and down the block just to see		16 that night; correct?
17 what was going on at Bottled Blonde. And that's where		17 A. I did not.
18 the noise was coming from.		18 Q. There is a lot of noise in the River North
19 Q. You didn't ask anybody at Bottled Blonde to		19 area, isn't that correct?
20 turn it down, did you?		20 A. I wouldn't say so, no.
21 A. I have many times. I didn't know if I did on		21 Q. There is a number of bars --
22 that occasion or not.		22 A. Not on a Sunday night at 8:30.
23 Q. You don't recall on that particular day one		23 Q. There is a number of bars in the area;
24 way or the other?		24 correct?

Page 102

1 A. There are some bars in the area.  
2 Q. In fact, you were at the corner of Grand and  
3 Wells Street, correct? And that's just down the street  
4 from O'Leary's; isn't that correct?

5 A. There was no noise coming from O'Leary's.

6 Q. You didn't walk down to O'Leary's, did you?

7 A. I may have, I don't know, but there was no  
8 noise coming from -- the noise was coming from Bottled  
9 Blonde, period.

10 Q. So do you think that you have now walked north  
11 on Wells Street to go down to O'Leary's to check and  
12 maybe sure the noise wasn't coming from there?

13 A. I didn't say that I walked north on Wells. I  
14 said that I may have, but there was no noise coming from  
15 the north side of the street.

16 Q. So if you didn't walk down there, how do you  
17 know that there was no noise coming from O'Leary's?

18 A. Because I would have heard it. The noise was  
19 coming from the south. The noise was coming from  
20 Bottled Blonde. There was no other noise coming from  
21 any other establishment that was making that kind of a  
22 racket that night. So unless you were deaf, you would  
23 have come to the same conclusion. It was coming from  
24 Bottled Blonde, period.

Page 104

1 Q. You don't know if you were a hundred feet away  
2 or 50 feet away, right?

3 A. It looked like about half the distance of a  
4 football field. If that's 50 yards, that's 150 feet.  
5 But that's not scientific.

6 Q. It's a total guess; correct?

7 A. It's not a total guess. I would say it would  
8 be in the ballpark of about half a distance of a  
9 football field.

10 Q. You have called the police, Chicago police, on  
11 Bottled Blonde numerous times; isn't that correct?

12 A. A few times.

13 Q. What's a few? More than five?

14 A. Probably half a dozen.

15 Q. And you -- you would like to see Bottled  
16 Blonde shut down; isn't that correct?

17 MS. GORSKE: Objection.

18 MR. ZICCIARDI: Same reason, Judge. This goes to  
19 bias.

20 HEARING OFFICER EX: Well, I have allowed that type  
21 of question a few times, but keep it limited to just any  
22 evidence of bias.

23 BY THE WITNESS:

24 A. I'd like -- I was hoping that after four years

Page 103

1 Q. Okay. The Pepper Cannister is right across the  
2 street from --

3 A. There was no noise coming from Pepper  
4 Cannister.

5 Q. Sir, may I finish my question, please.

6 HEARING OFFICER EX: You have to let him ask.

7 BY MR. ZICCIARDI:

8 Q. Pepper Cannister is right across the street;  
9 isn't that correct?

10 A. Yes.

11 Q. And is it your testimony that there was no  
12 noise from Pepper Cannister that evening as well?

13 A. That's my testimony.

14 Q. Did you walk to Pepper Cannister that night?

15 A. We did walk past Pepper Cannister. And we  
16 walked back up past Bottled Blonde. I don't recall any  
17 noise from Pepper Cannister. There was lots of noise  
18 from Bottled Blonde.

19 Q. You didn't measure the distance that you were  
20 from Bottled Blonde at the time you heard the noise;  
21 correct?

22 A. I did not.

23 Q. You didn't do it subsequently; correct?

24 A. I did not.

Page 105

1 that Bottled Blonde would abide by their plan of  
2 operation. I would like Bottled Blonde to abide by  
3 their plan of operation, which they consistently been  
4 unable to do.

5 So if they cannot operate by their plan of  
6 operation, I want them shut down, but I don't want them  
7 shut down just for the sake of shutting them down.

8 BY MR. ZICCIARDI:

9 Q. Well, you're consistently looking for various  
10 violations with which to report Bottled Blonde; isn't  
11 that correct?

12 MS. GORSKE: Objection.

13 HEARING OFFICER EX: Sustained.

14 BY MR. ZICCIARDI:

15 Q. You would do anything to see Bottled Blonds  
16 closed; right?

17 MS. GORSKE: Objection:

18 HEARING OFFICER EX: Same ruling.

19 BY MR. ZICCIARDI:

20 Q. [REDACTED] that October 28th, that was a  
21 Sunday; correct?

22 A. Yes, it was a Sunday.

23 Q. And that was the weekend before Halloween;  
24 correct?

1 A. Yes, it would have been. 2 Q. So that's normally a busy time in the River 3 North area; isn't that correct? 4 A. Not necessarily a Sunday three days before 5 Halloween, I would say no, not necessarily. 6 Q. The -- isn't there a lot of activity in the 7 River North area on that pre Halloween weekend? 8 A. Typically on Fridays and Saturdays more so, 9 not on a Sunday evening. 10 Q. Are you familiar with Ironside Bar & Deli at 11 546 North Wells? 12 MS. GORSKE: Objection. Relevance. 13 HEARING OFFICER EX: I don't know. What's -- where 14 are you going? 15 MR. ZICCARDI: That's another establishment in the 16 area a few doors away. 17 HEARING OFFICER EX: I'll allow you to inquire. I 18 don't know if it has any relevance, but you can answer. 19 BY THE WITNESS: 20 A. I have not been inside it, but I know it's 21 there. 22 BY MR. ZICCARDI: 23 Q. It's just north of the corner of Grand and 24 Wells where you heard this noise; correct?	Page 108 1 have the issue with; is that your testimony? 2 MS. GORSKE: Objection. Argumentative. 3 HEARING OFFICER EX: Sustained. 4 BY MR. ZICCARDI: 5 Q. You had testified that you had to elevate your 6 speech, correct? 7 A. Excuse me? 8 Q. You testified you had to elevate your speech 9 in your discussion, your conversation you had with your 10 wife? 11 A. Yes. 12 Q. And I think you said there were a bunch of 13 people on the street gathered; correct? 14 A. Outside the Bottled Blonde. 15 Q. So -- 16 A. Not on the corner of Wells and Grand. 17 Q. Right. So you don't have any ability to 18 distinguish the noise generated by those people that 19 were out on the street, do you? 20 A. There was nobody standing next to us. We were 21 by ourselves. 22 Q. The people that were on the street in front of 23 Bottled Blonde were making noise; correct? 24 A. Yes.
Page 107 1 A. It's about one block north, correct. 2 Q. It's on that block immediately north of -- 3 A. Yes. 4 Q. North of Grand, right? 5 A. It would be north, north -- on Wells north of 6 Grand, yes. 7 Q. But before the next street. I'm not sure what 8 that next street is, but before -- 9 A. Before Ohio. 10 Q. Right. It's on the west side of the street; 11 correct? 12 A. Yes. 13 Q. There is a bar and music there; is that 14 correct? 15 A. I think it operates more as a restaurant. I 16 have never had a problem with that establishment at all. 17 Q. But you have never been there, you don't know? 18 A. Pardon me? 19 Q. Have you ever been there? 20 A. I have walked by, but I have not been inside 21 it. It's my understanding, though, that it's a 22 restaurant, but if it's a bar, I have not heard any 23 noise coming from that establishment. 24 Q. Sure. So it's only Bottled Blonde which you	Page 109 1 Q. They weren't standing there silently; right? 2 A. Yes. 3 Q. So you can't differentiate between the noise 4 of the crowd or the people gathered in front of Bottled 5 Blonde versus the noise that may have been coming from 6 inside Bottled Blonde? 7 A. You can differentiate. You know what the 8 music sounds like, and you know what street noise sounds 9 like. So they were both loud. 10 Q. But it all contributed to the noise you were 11 hearing; correct? 12 A. Correct. 13 Q. And you don't have any way to determine the 14 level of the noise specifically from Bottled Blonde as 15 opposed to the noise from any other source; correct? 16 A. I didn't see anything else going on on that 17 street that night at 8:30 on a Sunday evening except for 18 from Bottled Blonde. There was no other activity except 19 from what was going on at Bottled Blonde. 20 Q. Sir, have you ever threatened Bottled Blonde 21 with the shutdown of its operations? 22 MS. GORSKE: Objection. 23 HEARING OFFICER EX: I'll allow that. 24 BY THE WITNESS:

1 A. Excuse me? 2 HEARING OFFICER EX: Go ahead. You can answer. 3 BY THE WITNESS: 4 A. Not that I can recall. Again, we have been 5 working with the City of Chicago to have Bottled Blonde 6 work within their plan of operation. So in that 7 context, yes, if you use the word "threatened Bottled 8 Blonde," no, I don't recall. 9 BY MR. ZICCARDI: 10 Q. Sir, we have got a video here I want you to 11 view, and I'm going to ask you a question or two after 12 that. I'm not sure of the best way -- 13 HEARING OFFICER EX: Well, we're going to have to 14 come up here with that if you're going to show a video. 15 MR. ZICCARDI: It's not working. How do you want 16 me to do this? 17 (Attorneys Ziccardi and Gallucci 18 conversing sotto voce.) 19 (Brief pause.) 20 MR. ZICCARDI: I can just use my phone. How do you 21 want me to do this? 22 HEARING OFFICER EX: Well, I need to be able to put 23 this on the record in a way that the record is clear as 24 to what it is that you're showing because we can't keep	Page 110 1 MS. GALLUCCI: That is a video of [REDACTED] 2 threatening our client. 3 HEARING OFFICER EX: Okay. And who took this 4 video? 5 MS. GALLUCCI: Our manager, Eric Brown. 6 HEARING OFFICER EX: Okay. And when was that 7 taken? 8 MS. GALLUCCI: It was taken in 2017 -- 2018. 9 MR. ZICCARDI: June. 10 MS. GALLUCCI: June of 2018. June of 2018. 11 HEARING OFFICER EX: Go ahead. 12 (Video played.) 13 MS. GORSKE: Is there a face that goes with that 14 voice in the video. 15 MS. GALLUCCI: There is the face. That's from the 16 inside. 17 HEARING OFFICER EX: You have shown the video. 18 MR. ZICCARDI: I would like to ask him a couple 19 questions. 20 HEARING OFFICER EX: All right. Let's have 21 everybody step back to where they were. The record will 22 reflect that the Respondent has shown a video 23 approximately 30 seconds or so. And, Counsel, you have 24 questions regarding that to [REDACTED]
Page 111 1 this video. I can't take your phone. 2 MS. GALLUCCI: Is this as big as it is? 3 MR. ZICCARDI: That's as big as it's going to get. 4 MS. GORSKE: May I view the video with counsel 5 before we see it? 6 HEARING OFFICER EX: Sure. Why don't you go ahead 7 and do that and make sure -- 8 MS. GALLUCCI: Well, here, we'll view it together 9 here. 10 HEARING OFFICER EX: Why don't you go in there and 11 do it and then you come back out. Okay? Make sure it's 12 -- whatever it is that you want to show the witness. 13 Have a seat, sir, until they come back. 14 (Brief recess taken.) 15 MS. GALLUCCI: Okay. 16 HEARING OFFICER EX: Let's have [REDACTED] come 17 on up. Ms. Gorske, you want to come up here too. Let's 18 see, I want this on the record so let me stand over 19 here. Ms. Gallucci, right here. 20 MS. GALLUCCI: Sure. 21 HEARING OFFICER EX: Let's have the witness stand 22 over here so he can see. 23 So the record is clear what is this, Ms. 24 Gallucci, you're showing?	Page 111 1 MR. ZICCARDI: Sure. Thank you. 2 BY MR. ZICCARDI: 3 Q. [REDACTED] you just saw the video; 4 correct? 5 A. Yes. 6 Q. Was that your voice on the video? 7 A. Yes. 8 Q. 11	Gorske?	11	HEARING OFFICER EX: Right. Right.
12	MS. GALLUCCI: She asked if it was amplified.	12	MS. GALLUCCI: It's directly relevant that you

15	HEARING OFFICER EX: So I'll sustain it. Do you	15	HEARING OFFICER EX: No. Sustained. That's a

17	before?	17	relevant to this instance on October 28th, is it?
18	BY MS. GORSKE:	18	MS. GALLUCCI: It is because they have put systems

2 MS. GALLUCCI: The same system has been in place the  
3 entire time.  
4 HEARING OFFICER EX: Well, if the Respondent wants  
5 to present evidence in their case in chief, you can do  
6 that, but there is not a basis to ask him about that  
7 video.  
8 MS. GALLUCCI: Well, he can just answer the  
9 question that you can't hear it.  
10 HEARING OFFICER EX: That's why I sustaining the  
11 question because he can't answer that question. It has  
12 nothing to do with this date. It's a totally different  
13 date. So it's not relevant.  
14 MS. GALLUCCI: But when we played the video, he  
15 could hear or not hear it on the video. He was having a  
16 conversation.  
17 HEARING OFFICER EX: But it's not the date of the  
18 incident.  
19 MS. GALLUCCI: Sure. Sure, We would like the  
20 ability to call him back during our case in chief then.  
21 HEARING OFFICER EX: Well, we will reserve that,  
22 but I'm going to sustain the objection at this point.  
23 MS. GORSKE: Nothing further with this witness.  
24 HEARING OFFICER EX: Thank you, sir.

1 HEARING OFFICER EX: I don't know if she -- is she a  
2 witness?  
3 MS. GORSKE: No.  
4 MS. GALLUCCI: She was listed as a witness on the  
5 list that was sent to us.  
6 HEARING OFFICER EX: Do you intend to call her?  
7 MS. GORSKE: No, I do not intend to call her.  
8 HEARING OFFICER EX: Do you?  
9 MS. GALLUCCI: Possibly. She was with him in the  
10 video.  
11 HEARING OFFICER EX: To be safe, don't discuss it  
12 with your wife then. Okay?  
13 THE WITNESS: All right.  
14 MS. GORSKE: She is not a witness that the City is  
15 calling in this case.  
16 HEARING OFFICER EX: Well, it's theoretically  
17 possible they could do that in their case in chief, so  
18 we will just be safe.  
19 (Witness excused.)  
20 MS. GORSKE: And the City will call its last  
21 witness.  
22 HEARING OFFICER EX: I'm sorry?  
23 MS. GORSKE: The City will call its last witness.  
24 HEARING OFFICER EX: Right. Sir, come up to the

Page 119

1 MS. GALLUCCI: Can we confirm that he will be  
2 available as an adverse witness for us?  
3 HEARING OFFICER EX: How do you want to do that?  
4 MS. GALLUCCI: If necessary get a subpoena.  
5 HEARING OFFICER EX: Well, if at the time that you  
6 present your case --  
7 MS. GALLUCCI: Yeah.  
8 HEARING OFFICER EX: -- if there is a reason to  
9 indicate at other dates that it's such that you need to  
10 call a witness who has already testified, I'll consider  
11 it at the time. It depends on what the state of the  
12 evidence is at that point.  
13 MS. GALLUCCI: Okay.  
14 HEARING OFFICER EX: Thank you, sir.  
15 MS. GORSKE: Is [REDACTED] free to leave then  
16 for today?  
17 HEARING OFFICER EX: As far as I'm concerned. You  
18 don't need him to wait, do you?  
19 MS. GALLUCCI: Can we just give a further  
20 instruction that he still is under the --  
21 HEARING OFFICER EX: You understand you don't talk  
22 about this case.  
23 MS. GALLUCCI: One of the other witnesses is his

1 podium, please. What is your name, sir?  
2 THE WITNESS: Miguel Campos.  
3 HEARING OFFICER EX: C A M P O S?  
4 THE WITNESS: That is correct.  
5 HEARING OFFICER EX: Raise your right hand, Mr.  
6 Campos.  
7 (Witness sworn.)  
8 HEARING OFFICER EX: City.  
9 WHEREUPON:  
10 MIGUEL CAMPOS,  
11 called as a witness herein, having been first duly  
12 sworn, was examined and testified as follows:  
13 DIRECT EXAMINATION  
14 BY MS. GORSKE:  
15 Q. Mr. Campos, who are you employed by?  
16 A. I work for the City of Chicago Department of  
17 Business Affairs and Consumer Protection.  
18 Q. How long have you worked for the City?  
19 A. It will be 12 years this coming Thursday.  
20 Q. Were you always working for Business Affairs  
21 and Consumer Protection?  
22 A. Yes, ma'am.  
23 Q. What is your title?  
24 A. I am currently a supervisor of business

Page 122

1 compliance and enforcement investigations.  
2 Q. And among your responsibilities, do you do  
3 measurements?

4 A. Yes.

5 Q. Frequently?

6 A. Yes.

7 Q. And I'm going to tender to you -- bear with  
8 me.

9 HEARING OFFICER EX: Take your time.

10 (City's Exhibits Nos. 4, 5, 6, and 7  
11 marked.)

12 MS. GORSKE: So we are on No. 4. 4, 5, 6, 7. I'm  
13 tendering to opposing counsel City's Exhibits 4, 5, 6,  
14 and 7.

15 HEARING OFFICER EX: Would you like time to review  
16 those?

17 MS. GALLUCCI: Yes, just one second.

18 City's Exhibit 4 purports to be the intersection of  
19 Roosevelt and Western. So I fail to understand the  
20 relevance of this exhibit.

21 HEARING OFFICER EX: Well, I don't know until  
22 counsel asks about it.

23 MS. GORSKE: It will become clear.

24 MS. GALLUCCI: That's 4 and 5. 6 and 7 seem to be

Page 123

1 the same. Okay.

2 HEARING OFFICER EX: Are 4, 5, 6 and 7 all photos?

3 MS. GALLUCCI: They're --

4 MS. GORSKE: Four is a photo. 5 is a diagram. 6  
5 and 7 are -- 6 is a diagram. 7 is a photo.

6 HEARING OFFICER EX: 5 is a diagram. 6 is a  
7 diagram?

8 MS. GORSKE: Yes.

9 HEARING OFFICER EX: 7 is a photo.

10 MS. GORSKE: Yes.

11 HEARING OFFICER EX: Okay.

12 BY MS. GORSKE:

13 Q. Mr. Campos, do you recognize what you see in  
14 these four photos?

15 A. Yes.

16 Q. And these four photos all refer to a  
17 particular location, do they not?

18 A. Correct.

19 Q. What is that location?

20 A. Location is 2350 West Ogden, which is a  
21 satellite office for the department for which I work.

22 Q. Okay. And what do these photos show, starting  
23 with No. 4?

24 MS. GALLUCCI: I'm just going to object now to it

1 on the basis of relevance. I don't understand what --  
2 HEARING OFFICER EX: Well, I don't know until there  
3 is an answer. We will see if it's relevant. Which one  
4 are you on? 4?

5 MS. GORSKE: No. 4.

6 HEARING OFFICER EX: Okay.

7 BY THE WITNESS:

8 A. Exhibit 4 is a printout of a Google Maps  
9 measurement that was created on June 13th, 2016 by  
10 myself. It shows the distance between the end of the  
11 building at 2350 West Ogden Avenue to the end of the  
12 parking lot that is attached or next door to said  
13 building.

14 BY MS. GORSKE:

15 Q. And Exhibit 5, what does that show?

16 A. Exhibit 5 is a printout of the same  
17 measurement without a satellite imagery overlaid on top  
18 of it. So the two points on the map are the distance  
19 that was measured or the location that was measured.

20 Q. And your testimony is that both 4 and 5 are  
21 Google maps?

22 A. Correct.

23 Q. Now, turning to 6, City's Exhibit 6, what is  
24 that?

Page 125

1 A. City's Exhibit 6 is a printout of a  
2 measurement that was created using the City of Chicago's  
3 planning and development zoning map between the -- it's  
4 of the building at 2350 West Ogden and the end of the  
5 parking lot that is attached to it with the distance in  
6 the middle of the page.

7 Q. The City's Exhibit 6, you said that's from  
8 what map?

9 A. The City's Department of Planning and  
10 Development has a zoning map available. So it's from  
11 the City's zoning map.

12 Q. And you indicated this is a measurement of a  
13 particular area?

14 A. Yes, the area in front of 2350 West Ogden,  
15 which is a satellite office of BACP.

16 Q. And is the same area that was measured with  
17 the Google photos?

18 A. Correct.

19 MS. GALLUCCI: I'll just object because the Google  
20 photo shows the total distance as 286.03 feet, and this  
21 says 286.4. So it's not the same exact, it's just the  
22 City's system compared to the --

23 HEARING OFFICER EX: Well, I don't even know what  
24 the relevance of these are at this point. So let's wait

1 until that -- you're going to explain how this is all 2 relevant, Ms. Gorske? 3 MS. GORSKE: Yes. 4 HEARING OFFICER EX: Let's wait until that, because 5 at this point I don't know what this has to do with this 6 case. 7 BY MS. GORSKE: 8 Q. And then the City's Exhibit 7, what's 7? 9 A. A printout of the same measurement with 10 satellite imagery overlaid on top of it. 11 Q. So the first two photos are Google photos 12 showing measurement; correct? 13 A. Correct. 14 Q. Of a particular location, 2350 Ogden? 15 A. Yes. 16 Q. And the second two photos are? 17 A. The City of Chicago's zoning map measurement. 18 Q. Showing measurements? 19 A. Of 2350 West Ogden. 20 Q. What is the measurement that you came up with 21 using Google maps? 22 MS. GALLUCCI: I'm sorry, the measurement for what? 23 HEARING OFFICER EX: Sustained. Can you lay a 24 foundation for what it is you're trying to measure?	Page 126 1 here. What exactly are you trying to show by these 2 photos. That has nothing to do with Wells Street, does 3 it? 4 MS. GORSKE: No. 5 HEARING OFFICER EX: Okay. 6 MS. GORSKE: But the technology employed by the 7 City's witness is such that Google Maps will tell you 8 that a particular location -- what the distance is for a 9 particular location from point A to point B. And the 10 City's -- what's it called? What is this again? 11 THE WITNESS: Zoning, the zoning map. 12 MS. GORSKE: City's zoning map can provide 13 essentially the same information that Google Maps does. 14 You can put in a beginning location, an end location, 15 and it tells you the distance. So the City relies on 16 the City zoning map to determine distances. 17 HEARING OFFICER EX: So is this going to have 18 something to do with the address at 504 North Wells? 19 MS. GORSKE: Correct, because what the City is 20 saying is that the Google map distance comports with the 21 City zoning map distance in this instance. And so the 22 City is asserting that this is a reliable basis to 23 measure a distance. 24 HEARING OFFICER EX: Okay. So is there going to be
Page 127 1 BY MS. GORSKE: 2 Q. So City's Exhibit 4 and City's Exhibit 5, what 3 distance are you measuring in those? 4 A. The distance between the beginning or end of 5 the parking lot next door to 2350 West Ogden to the 6 beginning of the building at 2350 West Ogden. 7 Q. And using Google Maps, what did you determine 8 was the distance? 9 A. 286.03 feet, which was rounded down to 10 286 feet. 11 Q. Now, turning to B-6 and B-7, what are you 12 measuring there? 13 A. The exact same measurements. 14 MS. GALLUCCI: Wait, I'm so sorry. I just got lost. 15 You said it was rounded down to 286 feet, but it's not. 16 HEARING OFFICER EX: Is that an objection, Ms. 17 Gallucci? 18 MS. GALLUCCI: Yes, I'm sorry. 19 HEARING OFFICER EX: What's your objection? 20 MS. GALLUCCI: My objection is that it's misstates 21 facts in evidence. This exhibit shows -- 22 HEARING OFFICER EX: Let's try to -- 23 MS. GALLUCCI: -- 286.03 feet. 24 HEARING OFFICER EX: Let's try to narrow this down	Page 129 1 testimony that Mr. Campos measured something? 2 MS. GORSKE: There is going to be testimony that he 3 used Google Maps and that he verified the distance that 4 he determined on Google Maps with the City's zoning 5 maps. 6 HEARING OFFICER EX: Well, I'm still having a hard 7 time. Is the testimony going to be that he measured 8 distance where some witnesses said they were to Bottled 9 Blonde -- 10 MS. GORSKE: Correct. 11 HEARING OFFICER EX: -- using a Google map? 12 MS. GORSKE: Correct. 13 HEARING OFFICER EX: Okay. So why don't you just 14 get into that. And if there is an objection to the 15 accuracy of a Google map, you know, that's -- 16 MS. GORSKE: But these photos -- 17 HEARING OFFICER EX: You're trying to lay a 18 foundation for the accuracy of that, is that -- 19 MS. GORSKE: 4, 5, 6 and 7 will show that the City's 20 zoning map and the system that the City uses to measure 21 comports with Google Maps. And so when he explains how 22 he used Google Maps to measure the distance between the 23 City's witness and Bottled Blonde and then he also cross 24 checked it against the zoning map.

Page 130

Page 132

1 HEARING OFFICER EX: Well -  
2 MS. GORSKE: He is saying that it's reliable. The  
3 zoning map is reliable, Google Maps is reliable. When  
4 you put the two together, you know you have the right  
5 distance.

6 HEARING OFFICER EX: All right. Well, there may be  
7 a better way to do this if you ask him questions about  
8 what he measured from which point and then what he used.  
9 I don't want to tell you how to handle your own witness,  
10 but I'm having a hard time. So if you're going to  
11 allege, if Mr. Campos can testify that he was at a  
12 certain point, he measured it to another point,  
13 calculated it on a Google map, that's a question of  
14 whether or not that is accurate, I suppose, you know.

15 So I assume the Respondents are going to  
16 object to the accuracy of this map. I don't know.

17 MR. ZICCARDI: Judge, I would object to the entire  
18 line of questioning because unless Mr. Campos can  
19 establish that he has personally confirmed the  
20 information that's shown in Exhibits 4, 5, 6 and 7, I  
21 don't think there is any foundation for him to be able  
22 to testify to these whatsoever.

23 HEARING OFFICER EX: Well, that's what I'm saying.  
24 I don't know what his testimony is going to be at this

1 MS. GALLUCCI: I'm sorry, is Ms. Gorske seeking to  
2 admit these into evidence? Is that why she handed them  
3 up?

4 HEARING OFFICER EX: I don't know at this point.  
5 All this is is marked at this point.

6 So 4 is a satellite map of 2350 Ogden. 5 is a  
7 diagram of that same spot. 6 is a diagram of another  
8 portion, looks like a building zoning map. And 7 is a  
9 satellite.

10 MS. GORSKE: We're on 7, right? That was ??

11 HEARING OFFICER EX: 4, 5, 6, and 7. Those are  
12 what you have asked me about.

13 MS. GORSKE: There is one last photo in the  
14 sequence. It's 8. Oh, I do not have a copy of this,  
15 but I'm showing 8 to counsel. It's a device.

16 (City Exhibit No. 8 marked.)

17 MS. GALLUCCI: I do want a copy of this. This is  
18 the device that you're using to charge my client and put  
19 them out of business. I want a photo --

20 HEARING OFFICER EX: You're not talking to me.

21 MS. GALLUCCI: I am talking to you. I'm going to  
22 object if she doesn't have a copy of this for us to look  
23 at this device that she is going to be questioning the  
24 witness about.

Page 131  
1 point. So I think we need to hear that and then we can  
2 determine --

3 MS. GALLUCCI: Also, this could have been done for  
4 the area -- you know, just going down this line of  
5 questioning for completely irrelevant addresses doesn't  
6 make any sense to me. Why wouldn't he have typed it in  
7 for Bottled Blonde? Why would they pick a random  
8 address instead of the address that we're here to talk  
9 about?

10 HEARING OFFICER EX: That's questions for you to  
11 ask. But let's see what Mr. Campos has to say about what  
12 he measured. Maybe that will move it along a little bit.

13 MS. GORSKE: As to the City's exhibits, should I  
14 tender them to the Court?

15 MS. GALLUCCI: Just for a clean record, I would like  
16 to object based on relevance of the whole line of  
17 questioning.

18 HEARING OFFICER EX: Well, I'm going to withhold  
19 that because I haven't heard his testimony of what he is  
20 basing his statement on at this point calling for --

21 MS. GALLUCCI: Is she seeking to admit these into  
22 evidence?

23 HEARING OFFICER EX: No, I'm not receiving  
24 anything into evidence --

Page 133  
1 HEARING OFFICER EX: May I see the device?  
2 MS. GORSKE: Your Honor, this device was not used  
3 to measure the distance between the witnesses and  
4 Bottled Blonde.

5 HEARING OFFICER EX: It was not?

6 MS. GORSKE: No.

7 HEARING OFFICER EX: Okay. So --

8 MS. GALLUCCI: So then we'll object to relevance.

9 MS. GORSKE: If I may question Mr. --

10 HEARING OFFICER EX: Well, at this point I'm not  
11 really sure what these are all about, but let's have you  
12 ask him some questions and we will take it from there.  
13 At this point they're only marked. What is that device  
14 in 8? What do you call that?

15 THE WITNESS: It is a Lufkin brand measuring  
16 rolling wheel. A Lufkin, L U F K I N, it's a measuring  
17 wheel.

18 HEARING OFFICER EX: Same thing.

19 MS. GALLUCCI: But I don't have a copy of it. It's  
20 an exhibit, but I don't have a copy of it.

21 HEARING OFFICER EX: We'll make that -- all it  
22 shows is this device, right?

23 MS. GORSKE: Right.

24 HEARING OFFICER EX: It doesn't show how it's --

	Page 134		Page 136
1	MS. GALLUCCI: But while she's questioning the	1	Q. And measurements for that same location from
2	witness, I would like a copy of it. May we have a copy	2	point A to point B you have testified is virtually the
3	of it before she goes on with her questioning?	3	same?
4	HEARING OFFICER EX: Can you just run out and make	4	A. Yes.
5	a copy of it?	5	Q. Whether Google Maps is used?
6	MS. GORSKE: Sure.	6	MS. GALLUCCI: Objection. Foundation.
7	HEARING OFFICER EX: It's not going to be color. Do	7	HEARING OFFICER EX: Well, she is not done trying
8	you have a color printer?	8	to lay it, I don't think, so let's --
9	MS. GORSKE: I can give you the black and white and	9	MS. GORSKE: I'm trying to --
10	give her the color.	10	HEARING OFFICER EX: You're trying to lay a
11	(Brief pause.)	11	foundation as to the accuracy of this device; is that
12	HEARING OFFICER EX: Did you get your copy?	12	right?
13	MS. GALLUCCI: Yes. Thank you very much.	13	MS. GORSKE: No.
14	HEARING OFFICER EX: So the Respondents were	14	HEARING OFFICER EX: No? Okay.
15	tendered a copy of the City's 8, which is a photo of a	15	BY MS. GORSKE:
16	measuring device or also known as a rolling wheel.	16	Q. You used that device to measure a distance
17	Okay. Go ahead, Ms. Gorske.	17	from points A to point B on Ogden Avenue?
18	BY MS. GORSKE:	18	MS. GALLUCCI: Objection. Leading.
19	Q. What do you see in this photo, Mr. Campos?	19	HEARING OFFICER EX: No, that's not leading.
20	HEARING OFFICER EX: Which one is that?	20	MS. GALLUCCI: This is direct examination, so the
21	MS. GORSKE: Photo 8. It's 8, City's Exhibit 8.	21	witness should be telling the story.
22	HEARING OFFICER EX: Okay.	22	MS. GORSKE: I'm repeating what he has testified
23	BY THE WITNESS:	23	to.
24	A. It is a photograph of a measuring device	24	HEARING OFFICER EX: Overruled. Go ahead.

11	which could not possibly be relevant to this.	11	MS. GORSKE: Going to move on.
12	HEARING OFFICER EX: I'm going to reserve that	12	(City Exhibit No. 9 marked.)
13	because I still don't know what he measured. So let's	13	MS. GORSKE: City's Exhibit 9. I have to give that
14	find out first what he measured and then we'll know if	14	to counsel.
15	it's relevant.	15	MS. GALLUCCI: If she is moving on, would this be
16	BY MS. GORSKE:	16	the appropriate time to discuss our objection to
17	Q. So Mr. Campos, there have been five documents	17	relevance to this whole line of questioning?
18	submitted: Two Google maps, two the City zoning map,	18	HEARING OFFICER EX: Well, I still don't know what
19	and the last one is a device that you have testified you	19	was measured. All I know is that there is a device that
20	measured the distance?	20	the City is purporting was, for lack of a better term,

22	Q. All of those relate to the same address you	22	So let's find out what this device was used

1 A. I do know where it starts and stops. 2 Q. Well, these photos, Exhibits -- let's start 3 with Exhibit 12 -- doesn't indicate the actual property 4 lines of each lot; right? 5 A. May I see Exhibit 12? 6 The light blue lines on the City zoning map 7 are lot lines, so they would show a specific particular 8 parcel where they begin and end. 9 Q. That hasn't -- the City -- strike that. 10 To your knowledge, the City hasn't actually 11 gone out and surveyed this particular lot; right? 12 A. Correct. 13 Q. And you weren't involved in the creation of 14 this zoning map that's in Exhibit 12; right? 15 A. I was not. I created the printout. I did not 16 create the software developed. 17 Q. Right. In fact, so the map that's shown in 18 Exhibit 11, you didn't create that map either; right? 19 A. I created the printout, not the actual 20 contents shown on the map. 21 Q. So -- and with respect to Exhibits 9 and 10, 22 you obviously weren't involved with Google to create 23 those images; correct? 24 A. Correct.	1 Q. And the same is true on the City of Chicago 2 zoning map; right? You didn't actually go out and 3 measure for purposes of this zoning map; right? 4 A. Correct. 5 Q. So you don't --- 6 HEARING OFFICER EX: Which one are you holding up? 7 MR. ZICCARDI: I'm sorry, Exhibit 11 and 12. 8 BY MR. ZICCARDI: 9 Q. The answer is the same; is that correct? 10 A. Yes. 11 Q. And so you didn't -- for Exhibits 11 and 12 12 you didn't -- you don't have any way to determine the 13 accuracy of what is shown on Exhibits 11 and 12; right? 14 A. Correct. 15 Q. These are not dated. I don't see any dates on 16 Exhibit 11 and 12. When were these done? 17 A. May I? There are dates on them. I can show 18 you where they're at. This is a screen shot, so it was 19 taken May 11th at 3:41 in the afternoon. 20 HEARING OFFICER EX: What exhibit is that, Mr. 21 Camps? 22 THE WITNESS: 12. 23 MR. ZICCARDI: That's Exhibit 12. 24 HEARING OFFICER EX: I'm sorry, 12?
Page 147	Page 149
1 Q. So you don't have any knowledge as to whether 2 or not those are accurate; correct? 3 A. I can testify to what the distance between the 4 two points is alleged. 5 Q. I'm sorry, you said ... I didn't hear that last 6 part. Say it again, please. 7 A. I can testify as to the distance that's shown 8 on the Google maps between the two points I selected on 9 the map. 10 Q. Sure, but you didn't actually go out and 11 testify -- you didn't actually go out and measure the 12 distance from one point on your picture to the other 13 point on your picture; correct? 14 A. Correct. 15 Q. So your knowledge is based solely on what's 16 shown on your computer screen; correct? 17 A. Correct. 18 Q. And you have no way to know how or what 19 process, if any, that Google actually used to come up 20 with those measurements; right? 21 A. Correct. 22 Q. So you have no way to determine the accuracy 23 of that information as posted by Google; right? 24 A. Correct.	1 THE WITNESS: Yes. At 3:41 in the afternoon and 2 3:52 in the afternoon on May 11th, 2019, which was this 3 past Saturday. 4 HEARING OFFICER EX: And where do you see that on 5 that Exhibit 12? 6 THE WITNESS: On the bottom right-hand corner. 7 BY MR. ZICCARDI: 8 Q. I'm going to ask you to look at Exhibits 9 and 9 10. These are the Google map images. I just see a 10 statement copyright 2019, Google map dated 2019 Google. 11 Is that what that says? 12 THE WITNESS: Yes, at the bottom. 13 Q. And so did you print these as well on 14 May 11th, 2019? 15 A. Yes, there is a date on the top left-hand 16 corner. 17 Q. So these Exhibits 9 and 10 don't necessarily 18 reflect the accuracy of what's depicted in them as of 19 September 16th of 2018; correct? 20 A. Correct. 21 Q. And you don't know if these are accurate as of 22 October 27th of 2018; correct? 23 A. Correct. 24 Q. And you don't know if Exhibits 9 and 10 are

<p style="text-align: right;">Page 150</p> <p>1 accurate as of October 28th of 2018; correct?</p> <p>2 A. Correct.</p> <p>3 Q. You don't know what process and procedure</p> <p>4 Google actually used to determine these measurements;</p> <p>5 right?</p> <p>6 A. Correct.</p> <p>7 Q. You didn't take your little wheel, Exhibit 8,</p> <p>8 this Lufkin wheel, you didn't take it out to the site?</p> <p>9 MS. GORSKE: Objection: Asked and answered.</p> <p>10 HEARING OFFICER EX: Overruled. I don't believe</p> <p>11 so.</p> <p>12 BY MR. ZICCARDI:</p> <p>13 Q. You didn't take this wheel out to the site and</p> <p>14 walk the distance from -- that's depicted on Exhibit</p> <p>15 No. 9, did you?</p> <p>16 A. May I see Exhibit No. 9?</p> <p>17 No, it is unsafe to cross four lanes of</p> <p>18 traffic between the two points.</p> <p>19 Q. So your answer is no, you did not?</p> <p>20 A. Correct.</p> <p>21 Q. And the same thing you said for Exhibit</p> <p>22 No. 10, you didn't take your measuring wheel and go out</p> <p>23 there and measure the distance that's depicted in</p> <p>24 Exhibit No. 10; correct?</p>	<p style="text-align: right;">Page 152</p> <p>1 A. Correct.</p> <p>2 Q. But they don't, they don't measure the extra</p> <p>3 inches; right?</p> <p>4 A. One can decipher from the decimals what the</p> <p>5 inches would be.</p> <p>6 Q. Okay. So for Exhibit No. 9, you got</p> <p>7 174.19 feet, right?</p> <p>8 A. Yes.</p> <p>9 Q. What's the decimal point for that?</p> <p>10 A. That would a fifth of a foot, 12 inches, it</p> <p>11 would be, .25 would be 3 inches, so between 2 and</p> <p>12 3 inches.</p> <p>13 Q. I'm sorry, how would that show on the Lufkin</p> <p>14 wheel?</p> <p>15 A. The inch marker would be oscillating between 2</p> <p>16 and 3. So a quarter of a foot would be 3 inches, which</p> <p>17 would be .25, and if it's .19, it would be less than 3,</p> <p>18 inches but more than 2.</p> <p>19 Q. Let me ask you to look at this Lufkin wheel</p> <p>20 again. That's between the 1 and the 2; correct?</p> <p>21 A. Correct.</p> <p>22 Q. Is it your testimony that after No. 9, it</p> <p>23 actually shows a 10 and then an 11 and a 12?</p> <p>24 A. No. It would -- it would -- well, the 12</p>
<p style="text-align: right;">Page 151</p> <p>1 A. Since it criss-crosses a building, I do not</p> <p>2 walk through buildings, so no.</p> <p>3 Q. You didn't ask or order a survey to be done</p> <p>4 for either location as depicted in Exhibits 9 or 10;</p> <p>5 correct?</p> <p>6 A. I did not.</p> <p>7 Q. And you certainly didn't prepare one yourself;</p> <p>8 right?</p> <p>9 A. I am not a surveyor, so no.</p> <p>10 Q. So none of these pictures, Exhibits 9, 10, 11</p> <p>11 or 12, was done as of the date of each of the violations</p> <p>12 alleged here; correct?</p> <p>13 A. They were prepared on May 11th, 2019.</p> <p>14 Q. The Lufkin wheel, that only rounds up to</p> <p>15 10ths, isn't that correct?</p> <p>16 A. The rounding up version is in inches. So</p> <p>17 there is 12 inches in a foot. So it would be 12ths, not</p> <p>18 10ths. So in this case it's reading 286 feet, and the</p> <p>19 inch marker is oscillating between 1 and 2 inches.</p> <p>20 Q. So that it doesn't, this Lufkin wheel doesn't</p> <p>21 add another digit, which I think would be a hundredths?</p> <p>22 A. No, it's just in feet and inches.</p> <p>23 Q. So the Google Maps, Exhibits 9 and 10, those</p> <p>24 don't -- those just measure distance in feet; correct?</p>	<p style="text-align: right;">Page 153</p> <p>1 would just move to 287. It will move the next number</p> <p>2 up. And it would show 11. When it reaches 12, there</p> <p>3 would be another foot. And the number next to it would</p> <p>4 move up.</p> <p>5 Q. So this measures 10ths, not actual --</p> <p>6 A. Inches.</p> <p>7 Q. -- 12ths?</p> <p>8 A. Inches it's 12ths.</p> <p>9 Q. You don't have the wheel here, do you?</p> <p>10 A. I do not.</p> <p>11 Q. So I guess I'm confused, but I don't</p> <p>12 understand how this is going to -- is it your testimony</p> <p>13 that the last digit in the feet column is then going to</p> <p>14 flip?</p> <p>15 A. After 11, yes. So 1 through 11, and once it</p> <p>16 -- when it reach 12, it would reset back to zero, and</p> <p>17 then that would go up to 7.</p> <p>18 Q. So this inches column has an 11?</p> <p>19 A. Yes.</p> <p>20 Q. It doesn't go back to zero?</p> <p>21 A. It would flip back to zero, yeah, I mean, once</p> <p>22 it went to 287, then start adding inches --</p> <p>23 Q. So after 9 -- this white column here after 9,</p> <p>24 it goes to --</p>

23	A. Yes.	23	BY MS. GORSKE:
24	Q. So the distance on the Google map is	24	Q. You measured to the northeast corner of Grand

1      and Wells. That was one of the end points of your 2      measuring, northeast corner Grand and Wells? 3      A. The southwest corner of Grand and Wells to the 4      northeast corner of 504 North Grand. 5      Q. Repeat that again. 6      A. I measured to the southwest corner, from the 7      southwest corner of 531 North Wells to the northeast 8      corner of 504 North Wells. 9      Q. To the northeast corner of Grand and Wells? 10     A. Grand and Wells was southwest to northeast. 11     MS. GORSKE: If I may see that. 12     THE WITNESS: Northeast to southwest. 13     BY MS. GORSKE: 14     Q. Northeast to southwest? 15     A. Yes. 16     Q. Okay. So that -- and this, we're looking at 17     City's Exhibit 9? 18     A. Yes. 19     Q. So the southwest corner that appears in City's 20     Exhibit 9? 21     A. Yes. 22     Q. You don't know where the witness was standing; 23     correct? 24     A. Correct.	Page 158 1      THE REPORTER: I'm sorry, can you say that again 2      slowly. 3      THE WITNESS: Using mathematical equations, yes. 4      The two legs of the triangle would have -- it would have 5      involved math because the Pythagorean theorem says that 6      A squared plus B squared equals C squared. 7      Q. So instead of that, what system did you use to 8      measure? 9      A. I utilized the City zoning map and Google Maps 10     to conduct two separate measurements. 11     Q. And why did you use two maps, two different 12     systems? 13     A. To validate the measurements or confirm them. 14     Q. And did they validate or confirm? 15     A. Yes. 16     Q. And did you -- 17     MS. GALLUCCI: Objection. Misstates facts in 18     evidence. They're not even the exact same numbers. They 19     don't even measure the same way. 20     HEARING OFFICER EX: Say that again. 21     MS. GALLUCCI: They're not even the exact -- she is 22     asking, you know, did that validate them, but they're 23     not the same numbers. They're not even measured the 24     same way.
1      Q. Did you use for that corner, were you 2      measuring from the curb or from the building? 3      A. From the building. 4      Q. When you were asked to measure from Bottled 5      Blonde, which is midpoint on Wells between Grand and 6      Illinois, you were asked to measure from that property 7      line to 180 Illinois, the entrance to the building on 8      Illinois, 501 Wells, but it has an entrance on Illinois. 9      A. Yes. 10     Q. So you measured to that building, to the 11     entrance on Illinois? 12     A. Yes. 13     Q. Why didn't you take the Lufkin wheel and 14     simply walk down Wells and then make a left turn and go 15     down Illinois? Why didn't you do that? 16     A. I was attempting to gather the measurement 17     between the two closest points between the entrance and 18     the property at 504 North Wells. 19     Q. So the measurement -- would the measurement 20     have been accurate if you had taken the Lufkin wheel and 21     went down Grand and then went down Illinois? 22     A. If I established or used the Pythagorean 23     theorem or A squared plus B squared equals C squared, 24     yes.	Page 159 1      HEARING OFFICER EX: Which exhibits are you 2      referring to? 3      MS. GALLUCCI: Exhibits 9 and 11. 9 has 174.19 4      feet. 11 has 174.38 feet, 10 and 12 124.47 feet, 124.31 5      feet. 6      HEARING OFFICER EX: So you're saying that there is 7      a difference in those measurements. 8      MS. GALLUCCI: There's a difference in those 9      measurements, but also that he has never gone and tested 10     the accuracy of the measurement of the City's system at 11     this address. He may have done it at other addresses, 12     but he didn't do it at this address. 13     HEARING OFFICER EX: I think that goes to the 14     weight more than admissibility. You have had an 15     opportunity to point out that these are slightly 16     different measurements, depending on what is used. So 17     it goes to the weight to determine what weight to give 18     to this. 19     MS. GALLUCCI: Well, it's also foundational, 20     though, right, because he lacks the ability to lay a 21     foundation for any of this evidence. I mean, he didn't 22     do any of this on his own. All he did was use a City of 23     Chicago system he has no control over that was never 24     double checked with Google Maps at a time period that's

1      irrelevant as well. It was a couple days ago versus when 2      this all occurred.  3      MS. GORSKE: Your Honor, the -- 4      MS. GALLUCCI: I'm not finished. 5      HEARING OFFICER EX: Let her finish.  6      MS. GALLUCCI: So what he has done is, at one point 7      he used the Lufkin wheel to measure the City system at a 8      different address against Google Maps, but at no point 9      did he ever do any measurements at this location. He 10     didn't do a physical measurement, he didn't do a test of 11     the system, he doesn't have any authority under either 12     the City of Chicago zoning map or Google Maps to testify 13     about this because he has never tested of it. All he did 14     was do a printout and he doesn't know where the 15     witnesses were standing.  16     HEARING OFFICER EX: Well, the City is not offering 17     these at this point, are you? 18     MS. GORSKE: We are going to offer these into 19     evidence. 20     HEARING OFFICER EX: At this point, though. 21     MS. GORSKE: Right. 22     HEARING OFFICER EX: Because this is not going to 23     end today, you know, right? Are you going to rest today 24     or are you going to wait until the next --	Page 162 1      going to have additional time as well. 2      HEARING OFFICER EX: I agree. I agree. We're not 3      going to rest today. I'm not going to make the City 4      rest today. I want to take a look at these anyway and 5      examine them in more depth. So when we resume this 6      hearing, presumably in July, I'm planning, we'll address 7      whether or not the City has established a prima facie 8      case, whether it's based upon, partly upon these 9      diagrams or witness testimony, or a combination of the 10     two.  11     MS. GALLUCCI: Can we have a date when the remaining 12     City witness comes out and we still have our case in 13     chief start on a separate date, because I don't know 14     that we need to put forward a case in chief or that we 15     will based on what we have heard today. I'm ready to 16     move for directed verdict. So I don't know why there 17     would be a delay for resting. We don't have a case in 18     chief.  19     HEARING OFFICER EX: You're asking me a couple 20     different things. 21     MS. GALLUCCI: Yes. 22     HEARING OFFICER EX: Whether or not you are to be 23     ready to proceed on the next court date, depending on 24     what happens with the City's case.
1      MS. GORSKE: We can wait until -- 2      HEARING OFFICER EX: Right. I'm going to reserve 3      that. I know there are questions about foundation and 4      weight in this.  5      MS. GALLUCCI: But I don't understand why she won't 6      rest today. This is her last witness. And I'm about to 7      move for directed verdict and put an end to this. I 8      don't understand why there would be an opportunity for 9      us to not know this for the whole period of time, have 10     to prepare a case that we probably don't have to prepare 11     when they didn't prove their case today. So why would 12     there be any continuation of this hearing? This should 13     end today.  14     MS. GORSKE: If I may, if the case is going to be 15     continued and the Respondent is going to be allowed to 16     re-call City witnesses and to get all of the responses 17     to FOIA that they're requesting, it's only appropriate 18     to allow the City to continue with its case in chief in 19     July, being that it's 4:40 now.  20     There is one witness who was unable to appear 21     today. If the case is going to be continued to July and 22     the City has not rested, the City would ask to bring 23     that witness forward in July. The City would assert 24     that that's only fair considering that Respondent is	Page 163 1      MS. GALLUCCI: Yes. 2      HEARING OFFICER EX: That's a different issue as to 3      whether or not these documents are going to be admitted 4      into evidence.  5      I understand that you don't want to prepare or 6      bring in witnesses if you don't have to do that. 7      MS. GALLUCCI: No. 8      HEARING OFFICER EX: That's essentially what you're 9      saying. 10     MS. GALLUCCI: Yes. 11     HEARING OFFICER EX: So let's talk about that when 12     we are done here. I'm not going to have the City rest 13     at this point because quite frankly, I want to take a 14     look at the law about any foundation as to these 15     documents. And if the matter is going to proceed on, 16     it's not going to be until the next date. 17     MS. GALLUCCI: Okay. 18     HEARING OFFICER EX: Then we're not going to 19     address prima facie case at this point, because I need 20     to look at this and take a look at the law with regard 21     to the admissibility of these documents, based upon what 22     I've heard. 23     MS. GALLUCCI: So the next time that we're here, we 24     will just do her last witness and the admissibility of

1    these documents.. 2    HEARING OFFICER EX: Well, you know, obviously, 3    this has been going on for a while. We want to have 4    this matter end. So the only way we can do it is to 5    address the admissibility of evidence on the next date. 6    And if you don't want to bring in your witnesses, we 7    will give you some time to do that, but it's not going 8    to be .. 9    MS. GALLUCCI: No, just as long as we don't -- 10   HEARING OFFICER EX: But it's not going to be more 11   than a week or so. 12   MS. GALLUCCI: Yeah, fine. Thank you. 13   HEARING OFFICER EX: It's not going to be continued 14   a month -- 15   MS. GALLUCCI: Yeah, no, that's fine. 16   HEARING OFFICER EX: -- two months or ongoing. 17   MS. GALLUCCI: Thank you. 18   MS. GORSKE: So at this point when we resume -- are 19   we continuing on or are we breaking at this point? 20   HEARING OFFICER EX: Well, you haven't rested, 21   right? 22   MS. GORSKE: No, we have not. 23   HEARING OFFICER EX: Okay. So you're not resting at 24   this point.	Page 166  1    HEARING OFFICER EX: And not have to bring him back 2    here. 3    MS. GORSKE: And then is the City barred from 4    bringing any other witnesses from Business Affairs and 5    Consumer Protection? 6    HEARING OFFICER EX: I'm not going to bar anybody 7    from bringing witnesses as long as the case is still 8    open. So that's why you're not resting, I assume. Okay? 9    So I'm not going to preclude the Respondent; I'm not 10   going to preclude the City. 11   So I want to hear whoever you want to call. 12   But in terms of admitting documents at this point, I 13   don't see the need to do that. I understand the 14   Respondents want to argue for a directed finding or lack 15   of prima facie case is more appropriate here. But it's 16   not going to happen today. 17   BY MS. GORSKE: 18   Q: So you used two methods to measure, Google 19   Maps and the City zoning map; is that correct? 20   A. Yes. 21   Q. And why did you use two methods as opposed to 22   just relying on one or the other? 23   A. Again, to confirm or validate measurements 24   between either or.
1    MS. GORSKE: No. 2    HEARING OFFICER EX: So do you have any other 3    witnesses today? 4    MS. GORSKE: Not today. On a future date. 5    HEARING OFFICER EX: Well, I know. So what we're 6    going to do is continue this for the next date. 7    MS. GALLUCCI: But she is done with this witness, 8    correct? 9    MS. GORSKE: I may not be. 10   MS. GALLUCCI: You are in your redirect right now.. 11   HEARING OFFICER EX: Are you done with him for 12   today? 13   MS. GORSKE: For today. 14   HEARING OFFICER EX: Are you planning on calling 15   him again? 16   MS. GORSKE: Yes. 17   HEARING OFFICER EX: To testify to -- 18   MS. GORSKE: To distances. 19   HEARING OFFICER EX: Why don't you finish with him 20   today while we still have time. 21   MS. GORSKE: Okay. 22   HEARING OFFICER EX: How much more do you have to 23   ask him? You might as well finish with him. 24   MS. GALLUCCI: Yes.	Page 167  1    Q. And did using both systems confirm or validate 2    to you that you had the correct measurements? 3    A. Yes. It's 124 feet and some change in one 4    case and 147 feet and some change -- 5    MS. GALLUCCI: I'm going to object to this. There 6    hasn't been a proper foundation for this testimony to 7    come in. 8    HEARING OFFICER EX: Well, I'm not following. You 9    have two different measurements -- 10   MS. GALLUCCI: But he doesn't -- 11   HEARING OFFICER EX: Two at the same, presumably 12   the same point. 13   MS. GALLUCCI: Except they're presumably the same 14   point. Go ahead. 15   MR. ZICCIARDI: The problem, though, is that it's 16   based on an assumption that both the City zoning map and 17   Google map is accurate, which there is no testimony and 18   this witness can't possibly testify to that because he 19   wasn't involved in the creation of those in terms of the 20   measurements that are shown. 21   HEARING OFFICER EX: Right. Right. I understand 22   that there are some foundational issues as to using 23   these maps as well as the method of measurement, but 24   those are all issues that I want to consider. I can't

Page 170	Page 172
1 make a determination as to admissibility at this point. 2 So I understand you have issues with that, but 3 that's something I'll address before the evidence is 4 actually admitted into -- these exhibits are admitted 5 into evidence.	1 weight of the evidence. Whether or not we're going to 2 let it in, that's another question. I don't know yet. 3 MS. GALLUCCI: All right. 4 MS. GORSKE: Nothing further for this witness. 5 HEARING OFFICER EX: Any last questions of this 6 witness? 7 MR. ZICCARDI: No, we don't have anything further. 8 HEARING OFFICER EX: I just want to clarify, Mr. 9 Campos. You took, for example, on Exhibit 10, the line 10 from the building on Illinois Street to the south corner 11 of Bottled Blonde; is that right?
6 MS. GORSKE: And the City would point out, as the 7 Court knows, under the rules that apply here, the 8 technical rules of evidence aren't applicable in the 9 same way that they would be in a circuit court 10 proceeding. 11 HEARING OFFICER EX: Well, again, I'll address all, 12 whether these are admissible at the next date. 13 Technical Rules of Evidence are different from technical 14 maps. They're two different things. So you relied upon 15 these maps to establish distances. So that's a little 16 bit different question as the technical rules of 17 evidence in testimony in other things are slightly 18 different. So I'm not going to rule on that at this 19 point. 20 BY MS. GORSKE: 21 Q. In addition to using these two systems, did 22 you do anything else to assure yourself that these 23 measurements are correct? Did you have, for example, a 24 test run at a different location?	12 THE WITNESS: Yes. 13 HEARING OFFICER EX: So the reason you didn't use 14 a wheel is that you would have had to -- because it 15 wouldn't have been possible to determine a straight 16 line? 17 THE WITNESS: Yes. If I may look at Exhibit 10. 18 HEARING OFFICER EX: So you're actually determining 19 that as the crow flies? 20 THE WITNESS: Yes. It would require someone to walk 21 through the building. 22 HEARING OFFICER EX: So could you have determined 23 these same distances by using that wheel? 24 THE WITNESS: No, because I would be unable to walk
Page 171	Page 173
1 A. Yes. 2 Q. What location was that? 3 A. 2350 West Ogden, Chicago, Illinois 60608. 4 MS. GALLUCCI: Objection. Relevance. 5 HEARING OFFICER EX: Overruled. 6 BY MS. GORSKE: 7 Q. And you measured a distance at that location 8 using what systems. 9 A. The Google Maps, the City of Chicago zoning 10 map, and then a hand measuring rolling device. 11 Q. And did you come up with the same measurement 12 using each of those three methods? 13 A. Yes, 286 feet and varying inches. 14 Q. And what did that tell you with respect to 15 these measurements that you just made recently on the 16 Bottled Blonde case? 17 A. That they are accurate representations of the 18 measuring capabilities for Google and the City's zoning 19 map at two points. 20 MS. GALLUCCI: Objection. 21 HEARING OFFICER EX: What's your objection? 22 MS. GALLUCCI: He doesn't have a foundation, can't 23 possibly testify to their accuracy. 24 HEARING OFFICER EX: Well, again, that goes to the	1 through the building in a straight line. 2 MS. GALLUCCI: I'm just going to object because 3 earlier he testified that he could, he would just need 4 to use an equation. 5 HEARING OFFICER EX: Well, that's what's I'm trying 6 to understand. You said something that you could use an 7 equation to determine that? 8 THE WITNESS: Yes. 9 HEARING OFFICER EX: Okay. So is that possible to 10 have done it that way? 11 THE WITNESS: It is possible to have done it that 12 way. 13 HEARING OFFICER EX: Okay. And the reason you 14 didn't do it that way? 15 THE WITNESS: This was easier. 16 HEARING OFFICER EX: All right. 17 BY MS. GORSKE: 18 Q. The other location that you measured -- 19 MS. GALLUCCI: You have rested. He was just asking 20 some follow-up questions, but you said you were done 21 with this witness. 22 HEARING OFFICER EX: Well, I'll allow both of you 23 to ask follow-up questions on what I asked. 24 BY MS. GORSKE:

Page 174

1 Q. You didn't use the wheel when you made the  
2 other measurement either. Why didn't you use the wheel  
3 for that other measurement?

4 HEARING OFFICER EX: Are you talking about the one  
5 on Ogden?

6 MS. GORSKE: No, the one on Grand and Wells, the  
7 northeast corner.

8 BY MS. GORSKE:

9 Q. You didn't use the wheel for that one. Why  
10 not?

11 A. Correct. There are two major streets, Wells  
12 and Grand, with multiple lanes of traffic in either  
13 direction. It would be unsafe to criss-cross across  
14 eight lanes of traffic.

15 HEARING OFFICER EX: Okay. Did you want to follow  
16 up on that?

17 MS. GALLUCCI: Yes.

18 RECROSS EXAMINATION

19 BY MS. GALLUCCI:

20 Q. But you could have come to the same conclusion  
21 by just using a mathematical equation; correct?

22 A. Yes.

23 MS. GALLUCCI: That's all. Oh, I'm sorry.

24 BY MS. GALLUCCI:

Page 176

1 MR. ZICCARDI: Correct, two pictures and the e-mail.  
2 HEARING OFFICER EX: Let me make sure that there  
3 are copies of all the others.

4 MS. GALLUCCI: I guess for the record we should  
5 call the video Respondent's Exhibit 4.

6 HEARING OFFICER EX: That's fine.

(Respondent's Exhibit No. 4 marked.)

7 MS. GALLUCCI: Just for purposes of clarity.

8 HEARING OFFICER EX: So I want to make sure that I  
9 have all copies of all exhibits. And I would like the  
10 copies. Each party keep your originals.

11 MS. GALLUCCI: Yes.

12 HEARING OFFICER EX: Okay? I'll keep one entire set  
13 of copies.

14 MS. GALLUCCI: Yes.

15 MR. ZICCARDI: The pictures we tendered, Exhibits 1  
16 and 3, those are actually extra copies.

17 HEARING OFFICER EX: Whatever. If you have the  
18 original photos, I want you to hold on to those. Okay?  
19 I want a full set of copies of all the exhibits.

20 MS. GORSKE: Did you want me to do that now?

21 HEARING OFFICER EX: Why don't you go and do that,  
22 just take you a few minutes, so we make sure we have  
23 everything. Then we are going to pick a date.

Page 177

1 Q. And why didn't you?

2 A. This was the easiest method.

3 MS. GALLUCCI: Thank you.

4 HEARING OFFICER EX: All right. City, you're done  
5 with Mr. Campos for today; correct?

6 MS. GORSKE: Yes, your Honor.

7 (Witness excused.)

8 HEARING OFFICER EX: What I would like to do, we  
9 are going to pick a date in a few minutes, but before we  
10 do that, I am going to retain all these exhibits.  
11 Everybody has their own copies of exhibits?

12 MS. GORSKE: If the Court would allow me to take  
13 those out, I can make two sets of photocopies, put them  
14 all in order.

15 HEARING OFFICER EX: Well, what I have up here, let  
16 me just see. I want to make sure we have everything.

17 I have Respondent's -- City's 3 and  
18 Respondent's 3, Respondent's 1, Respondent's 2, an  
19 e-mail. Do you have a copy of that, the e-mail to [REDACTED]

20 [REDACTED] MR. ZICCARDI: Yes.

21 HEARING OFFICER EX: So what I would like to do, I'm  
22 going to give these to you, Ms. Gorske. Make sure -- you  
23 just had three exhibits and your video; right?

1 MS. GALLUCCI: When do you return?

2 HEARING OFFICER EX: Probably in the second week of  
3 July, looking at the 8th, I believe.

4 MS. GALLUCCI: What is your availability the week of  
5 the 20 --

6 HEARING OFFICER EX: Let's wait for her to come  
7 back. It's going to have to be on a Monday.

8 MS. GALLUCCI: Are you available if she is on the  
9 29th?

10 HEARING OFFICER EX: Yes.

11 MS. GALLUCCI: Okay. And then are you available --  
12 HEARING OFFICER EX: Hold on one second.

13 (Brief pause.)

14 HEARING OFFICER EX: Oh, by the way, did you fill  
15 out appearance forms today? I need one from each of  
16 you. 18 CP 00388A.

17 (Discussion off the record.)

18 MS. GORSKE: These are the copies.

19 HEARING OFFICER EX: It's a full set of copies?

20 MS. GORSKE: Yes.

21 HEARING OFFICER EX: Does it have the exhibit  
22 numbers?

23 MS. GORSKE: 13 pages.

24 HEARING OFFICER EX: These two I don't have any

2	these are?	2	then. It's going to be sometime in July. The 22nd is
3	MS. GORSKE: Those are probably these photos.	3	bad, so it's either the 15th or the 29th.
4	MS. GALLUCCI: No, that's our exhibit, that photo	4	MS. GALLUCCI: I can't do the 15th.
5	in your hand, photo paper. We are the only ones that	5	HEARING OFFICER EX: 29th?
6	have a photo paper exhibit.	6	MS. GORSKE: I'm open.
7	MS. GORSKE: Yes.	7	MS. GALLUCCI: What's that?
8	MS. GALLUCCI: No, our exhibit is not a black and	8	MS. GORSKE: I said I'm open on that date..
9	white. It's a photo quality paper in color.	9	MS. GALLUCCI: The 29th?
10	MS. GORSKE: No, he wants black and white though.	10	MR. ZICCARDI: The 29th works.
11	He wanted me to make black and white copies.	11	HEARING OFFICER EX: Whose motion? Is this going
12	MS. GALLUCCI: Those copies are for you. The photo	12	to be --
13	quality paper, we would like you to have those copies.	13	MS. GORSKE: By agreement.
14	And we made those for you. We made copies for everybody	14	MS. GALLUCCI: Whatever is easiest.
15	like that.	15	HEARING OFFICER EX: It's by agreement. How's
16	HEARING OFFICER EX: Let's take that and we'll	16	that?
17	figure out what -- these are copies.	17	MS. GALLUCCI: I don't care about that. It should be
18	MS. GALLUCCI: Yeah, those are your copies.	18	the City's because I wanted you to rest today.
19	MR. ZICCARDI: The exhibit numbers are on the back.	19	MS. GORSKE: Pardon me?
20	HEARING OFFICER EX: Right. That's why I wanted	20	MS. GALLUCCI: I said it should be the City's

22	(Discussion off the record.)		
23	MS. GALLUCCI: I think we need a Bates stamp on	22	HEARING OFFICER EX: I'm going to have to give you
24	these; right?	23	a handwritten order, figure out why it's not letting me
		24	issue a written order.
Page 179		Page 181	
1	HEARING OFFICER EX: I'm going to give these for	1	MS. GALLUCCI: Could you say that again one more

3	MS. GALLUCCI: No, there is no date.	3	HEARING OFFICER EX: I'm going to give you a
4	HEARING OFFICER EX: It's going to be scanned	4	handwritten order for now because the system is not
5	upstairs.	5	letting me generate a computer order for some reason.
6	MS. GORSKE: Here are the copies of everything	6	MS. GALLUCCI: Okay.
7	except your two.	7	HEARING OFFICER EX: And there is nobody here who
8	MS. GALLUCCI: Okay. Thank you.	8	is going to be able to fix it right now.
9	MS. GORSKE: These are my copies. And then the	9	MS. GALLUCCI: No problem.
10	originals, you wanted them to be returned?	10	HEARING OFFICER EX: I know that without calling
11	HEARING OFFICER EX: Well, I have some originals	11	upstairs. It will be a handwritten order. Sometimes we
12	that are just duplicates from the Respondent's side.	12	do that when the systems are down.
13	MS. GORSKE: Do you want to take all the originals?	13	MS. GALLUCCI: Yeah, sure.
14	I made copies for both sides.	14	HEARING OFFICER EX: For whatever reason it's not
15	HEARING OFFICER EX: Okay. Well, that's fine.	15	letting me do that.
16	MS. GALLUCCI: Judge, would you be able to e-mail	16	MS. GALLUCCI: But we'll resume on July 29th at
17	us the copies? You're going to make color copies for	17	1:00?
18	everybody; is that what you said?	18	HEARING OFFICER EX: It's going to be on the
19	MS. GORSKE: No, I just made black and whites. He	19	handwritten order I'm going to give you.
20	had the originals.	20	MS. GALLUCCI: Yeah, I know. I'm trying to put it in
21	MS. GALLUCCI: Okay.	21	the transcript as well.
22	HEARING OFFICER EX: What I'm going to do is I'm	22	HEARING OFFICER EX: The 29th at 1:00 o'clock.
23	going to have these scanned upstairs so it's part of the	23	MS. GALLUCCI: Can we make sure that we have one of

Hello [REDACTED]  
Just touching base. I have spoken to your neighbor, [REDACTED] Below is a chart I provided to [REDACTED] to assist in collecting the evidence we need to proceed. The ordinance that likely is being violated, based on the facts provided to me by you and [REDACTED] is:

**8-32-080 Regulated entertainment businesses.**

(a) No establishment holding a liquor license pursuant to Chapter 4-60 of this Code, or a public place of amusement license pursuant to Article III of Chapter 4-156 of this Code, shall operate or permit operation of any equipment or device that electronically amplifies sound so as to generate sound louder than average conversational level at a distance of 100 feet or more from the property line of the property from which the noise is being generated . . .

It would be helpful, in drafting the complaint, to have the following information:

Name of witness	Date/time of incident	Specific location of witness at time of incident	Type of sound heard (e.g., amplified music)	Loudness of sound (e.g., as related to conversational level)	Availability to appear at 400 Superior (court calls daily at 9-10-11 AM, or 1-2 PM)

I look forward to hearing from you,  
Judi

Also, I checked with one neighbor who was complaining about the noise this past weekend, but it was traffic and crowd noise. I have checked with the neighbor

RE: FOIA Requests for Review – 2019 PAC 58481

Dear [REDACTED]

On June 11, 2019, the Public Access Bureau received your Request for Review contesting the response by the City of Evanston (City) to your Freedom of Information Act (FOIA) (5 ILCS 140/1 *et seq.* (West 2016)) requests seeking copies of all correspondence between a named individual and any City staff member or official with a City e-mail account for the time frames of June 1, 2017, through October 1, 2017, and October 1, 2017, through January 1, 2018. On July 5, 2019, this office inquired with the City regarding its responses to your requests, which it had treated as unduly burdensome under section 3(g) of FOIA (5 ILCS 140/3(g) (West 2016)). On July 10, 2019, the City provided a written response. Enclosed is a copy of that response. Upon further review, however, this office lacks the authority to take any additional action with regard to the City's responses to your requests because your submission to this office was untimely.

A person whose FOIA request has been denied may submit a Request for Review to the Public Access Counselor in the Office of the Attorney General "[n]ot later than 60 days after the date of the final denial[ ]" of the FOIA request by the public body. 5 ILCS 140/9.5(a) (West 2016). Based on the information you provided, the City denied your March 21, 2019, requests on March 26, 2019, by asserting that compliance would be unduly burdensome and inviting you to narrow your requests. As noted above, you e-mailed your Request for Review of the City's responses to this office on June 11, 2019, which was 77 days after the date of the City's responses. Because you e-mailed your Request for Review to this office more than 60 days after the City denied your requests, section 9.5(a) of FOIA precludes this office from reviewing the matters, and this file is closed.

RE: Request for Review – 2019 PAC 58481 – Freedom of Information Act

Dear Attorney Mukherjee:

The City of Evanston received a copy of the above referenced Request for Review submitted by [REDACTED] (the "Requestor") related to the City's response to her Freedom of Information Act ("FOIA"), 5 ILCS 140/1 et seq., requests submitted on March 21, 2019 ("Request"). The FOIA request submitted by the Requestor was seeking emails and written communications between William (Bill) Stafford and City staff/officials from October 1, 2017 through January 1, 2018 and June 1, 2017 and October 1, 2017. The City conducted an email search of all City staff with the search term "William Safford" during both of those date ranges given.

On March 26, 2019, the Requester was notified that the request was unduly burdensome and produced over 3300 and 4400 emails. The Requester was notified of the extraordinary volume of documents and asked to further narrow the search.

The Requester never responded to the City's request to narrow. This FOIA Request remains on pause pending the Requester's response to narrow. The City is entirely amenable to fulfilling this Request if it is able to be narrowed to a reasonable amount of responsive emails.

Over 3300 and 4400 emails would be an extreme burden for the City to review for disclosure as it would take extensive staff hours in the City's Information Technology Department as well as the City's Law Department. The City determined that the public interest in these over 3300 and 4400 emails did not outweigh the City staffs' duty to perform their daily activities. Pursuant to 5 ILCS 140/3(g), the City determined the request was unduly burdensome and asked that the Requester narrow the request.

Please find the correspondence with the Requester attached to this response for your review.

Thank you for your time and consideration of this response. Please feel free to contact me at [aruggie@cityofevanston.org](mailto:aruggie@cityofevanston.org) or 847-866-2937.

Sincerely,

/s/ Alexandra B. Ruggie

Re: FOIA Request for Review – 2019 PAC 59001

Dear [REDACTED]

The Public Access Bureau has received your Request for Review pursuant to section 9.5 of the Freedom of Information Act (FOIA) (5 ILCS 140/9.5 (West 2016)). The Request for Review concerns a FOIA request that you submitted to the City of Aurora Police Department (Police Department). The Police Department responded to your request on, July 25, 2018.

A Request for Review may be filed with the Public Access Counselor in the Office of the Attorney General "[n]ot later than 60 days after the date of the final denial[ ]" of the FOIA request by the public body. 5 ILCS 140/9.5(a) (West 2016).

Based on the information you provided, the Police Department denied your FOIA request on March 6, 2019. As you submitted your Request for Review to this office on June 17, 2019, and more than 60 days have lapsed after the denial of your FOIA request, section 9.5(a) precludes this office from reviewing that denial.

If you have any questions, please contact me at the Springfield address on the first page of this letter. This letter serves to close this matter.

Very truly yours,

[REDACTED]
